TYPE OF REQUEST

Please insert a "v" or "X" in the appropriate box to indicate the type of request.

For additional information see: *Bulletin 111, Chapter 31. Data Correction and Appeals/Waivers Procedure.*

- Appeal:** Due to unusual or unforeseen circumstances, a request for the calculation or recalculation of a School Performance Score (SPS), and/or Subgroup Component Score based on the most recent spring test administrations (state tests and ACT), progress points, dropout/credit accumulation data, and the 4-year cohort graduation rate and index. **May require BESE approval.**
- Waiver:** a temporary "withholding" of accountability decisions for no more than one accountability year or a request to waive BESE policy. **Requires BESE approval and may also require federal approval.**

NOTE: *Requests shall be denied to aggrieved parties attempting to subvert the intent of provisions outlined in the state statute.*

RATIONALE

Include a narrative providing explicit details concerning the request and attach supporting documentation. **Per Bulletin 111, Section 3107 DATA CORRECTIONS SHALL NOT BE GROUNDS FOR APPEAL OR WAIVER REQUESTS.** All data corrections should have been submitted during the appropriate data certification periods (assessment, ACT, dropout/credit accumulation, graduation cohort, and progress points).

VERIFICATION

"As the LEA's superintendent, charter school leader, or appointed representative authorized by my local governing board of education, I verify that I have reviewed and submitted this request for the above stated school(s) and ask that it be considered by the Department of Education for review."
