

**Instructional Materials Review – Weekly Report**

The Louisiana Department of Education (LDOE) has launched the 2018-2019 Instructional Materials Review process. Instructional Materials Reviews (IMRs) are published on the LDOE’s [website](#) to support educators as they make choices about the resources to use in their schools and classrooms. The weekly updates below track 1) recent publications (Phase III), 2) materials that are currently under review along with the estimated timeline for publication (Phase II), and 3) materials that are next up for review (Phase I). Also listed are companies who have expressed plans to submit materials for state review in the near future. Use the following quick links to display results by content area.
