American Reading Company Foundational Skills Toolkits in English (IRLA) and Spanish (ENIL) help teachers make the shift to delivering foundational skill instruction in flexible, strategic small-groups. The Foundational Skills Toolkits enable teachers to provide differentiated, targeted, and efficient skill instruction embedded into one-on-one conferences and strategy plans. Simply put, the IRLA/ENIL identifies WHAT each child needs to learn next and the toolkit delivers the HOW to teach it.

Each color level kit includes a Leveled Handbook, Student-facing Games and Supports, Practice Books and/or Guided Reading Texts that teach the skills for that specific level.
