

The Louisiana Department of Education (LDOE) has launched the *Online Instructional Materials Review*. Reviews will be released on an ongoing basis on the LDOE [website](#) to support educators as they make local choices about the resources to use in their schools and classrooms.

The Department welcomes public input on these materials that will be included in the final review of each program. **Follow these instructions to submit a review of submitted materials:**

Preview the questions in this [sample public comment form](#).

Select from the list of materials referenced and available for review shown in Column 1 below.

View the available program by clicking on the link in Column 2. The User ID and Password, if required, are included in Column 3 and Column 4.

Public access to the materials is made available for four weeks. The *Dates Open* shown in Column 5 reflects the public access timeline.

Share comments by clicking on the “Submit Public Comment” link included in Column 6 and follow the rule and submission guidelines.
