This public document was printed at a cost of \$655.00. Two Hundred copies (200) of this document were printed in this first printing at a cost of \$655.00. The total cost for the printing of this document, including reprints was \$655.00. This document was printed by the Louisiana Department of Education, Office of Management and Finance, Division of Planning, Analysis and Information Resources; P.O. Box 94064; Baton Rouge, LA 70804-9064. This material was printed in accordance with the standards for printing by State Agencies established pursuant to R.S. 43:31.

The Louisiana Department of Education does not discriminate on the basis of sex in any of the education programs or activities that it operates, including employment and admission related to such programs and activities. The Department is required by Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations not to engage in such discrimination. The Department's Title IX Coordinator is: John J. Guilbeau, Deputy Undersecretary, Louisiana Department of Education, Executive Office of the Superintendent; 1201 North Third Street, 5th Floor, Room 5-233, Baton Rouge, LA 70802; Post Office Box 94064, Baton Rouge, LA 70804-9064; Telephone: (225)342-2098, mail: john.guilbeau@la.gov. All inquiries pertaining to the Department's policy prohibiting discrimination based on sex or to the requirements of Title IX and its implementing regulations can be directed to Mr. Guilbeau or to the United States Department of Education, Assistant Secretary for Civil Rights.

Introduction

This report contains the average composite, English, mathematics, reading, and science American College Test (ACT) scores at both the district and school levels. The averages were computed by using the ACT scores most recently obtained by the students who were or would have been members of the Louisiana 2004 graduating class. Scores are reported for **public schools only**, including the laboratory schools, Type 2 charter schools, East Baton Rouge Arts and Technology School, the Louisiana School for Mathematics, Science and the Arts (Natchitoches Parish), and the New Orleans Center for Creative Arts. The state and national average scores, however, were computed using the scores of both public and nonpublic school students. The national average composite score includes the 49 other states and the District of Columbia. The first table provides the district, state, and national average composite scores for 2000 through 2004. The remaining tables provide the 2004 school-level scores.

Summary of ACT Results

- The average composite score for Louisiana public and nonpublic students increased to 19.8 in 2004 after remaining at 19.6 for the past five years.
- The average national ACT composite score rose one-tenth of a point to 20.9 compared to 20.8 for each of the past two years. The average score for the nation was 21.0 for five years prior to that. For 2004, Louisiana is only 1.1 points below the nation, as compared to 1.2 in 2002 and 2003.
- Louisiana's public and nonpublic students combined showed that average scores increased in all areas. English scores increased from 19.7 in 2003 to 19.9 in 2004. Mathematics scores for Louisiana students increased from 18.9 in 2003 to 19.2 in 2004. Reading scores rose from 19.8 in 2003 to 19.9 in 2004. Science scores for Louisiana students increased from 19.6 in 2003 to 19.7 in 2004.
- Forty-one of Louisiana's 68 public school districts had increased average composite scores from 2003. West Feliciana Parish showed the biggest gain of any public school district, increasing from 19.9 in 2003 to 21.6 in 2004, a 1.7-point jump. Twenty-three districts had decreased average composite scores from 2003, and two districts maintained the same average composite score. Zachary Community and the City of Baker were new districts in 2004.
- Louisiana was one of the eight states with a high proportion (greater than 75%) of high school graduates taking the ACT: Colorado (100 percent), Illinois (99 percent), Mississippi (91 percent), Louisiana (87 percent), Tennessee (87 percent), North Dakota (81 percent), Nebraska (77 percent), and Alabama (76 percent). The percent of Louisiana graduates taking the ACT increased seven-percentage points, from 80 percent in 2003 to 87 percent in 2004. Nationally, 40 percent of graduates took the ACT.
- In a ranking of average ACT composite scores for the sixteen Southern Regional Education Board (SREB) states, Louisiana's average was ranked fourteenth, above the averages of South Carolina (19.3) and Mississippi (18.8). Louisiana's average falls just below Georgia's average of 20.0.
- Proportionally, there were more students from poor families taking the test in Louisiana than nationally, and fewer from higher income families. In Louisiana, 15 percent of the participants were from families with a family income of less than \$18,000, compared with 8 percent nationally.
- The ethnic group composition of the Louisiana population of ACT testers was different from that of the nation. While the national population consisted of 67 percent Caucasian-American/White students, 11 percent African-American/Black students, and a small percentage in each of the other ethnic groups, the Louisiana population contained fewer Caucasian-American/White students (61%), more African-American/Black students (29%), and very few students from other ethnic groups.

2000 through 2004 District ACT Results

District Name	2000	2001	2002	2003	2004
