## 2013-2014 ADDENDUM

The information summarized on pages 3-5 is supplemental to the content of the 2013-14 AOCs/Career Pathways.

- Course Choice courses are designated by (CC) at the end of the title
- Courses listed in the AOC/Career Pathway as both a primary and related course should be pursued as a Primary course. *Note: The completion of five (5) primary credits and one (1) BESE approved computer course credit will meet the AOC/Career Pathway graduation requirement.*
- Course codes can be found at the following web address:  
<https://www.teachlouisiana.net/teachers.aspx?PageID=12311121&Display=2>
- The following updates pertain to Child Development Associate (CDA) courses:
  - According to the Louisiana Department of Child and Family Services (DCFS), Class “A” Child Day Care Regulations:
    - Child care staff shall be age 18 years or older. The child care provider may, however, include in the staff/child ratio, a person 16 or 17 year old who works under the direct supervision of a qualified adult staff. These students (under the age of 18) may never be left alone with the children. Students earning 480 hours of work experience under the supervision of a teacher count as adults in the child/adult ratio. No one under age 16 shall be used as child care staff.
    - Sixteen or seventeen year old students may work as an assistant to the teacher who is over 18. These students are considered non-paid staff and all information/documentation must be complete and available to the licensing specialist if requested.
    - If the required criminal background check of a sixteen or seventeen year old student comes back as “No record exists”, the minor student is cleared to earn 480 hours of work experience.
  - According to the CDA National Credentialing Program, the 480 hours of work experience may be accrued in a variety of settings, including public pre-K schools, summer camps, and church programs. Thus, the hours should be aligned to a paid, non-paid, or volunteer work in a licensed, state or federal approved program.

### COURSE NAME CHANGES

PREVIOUS COURSE NAME	NEW COURSE NAME
Advanced Dance	Dance II, Dance III, Dance IV
Advanced Finance	Applied Finance
Advanced Theatre	Theatre II, Theatre III, Theatre IV
Barbering	Barber
Data MRD	Database Design and Programming
Intro to SQL	Database Programming with PL/SQL Training

**NEW COURSES ADDED TO AOC/CAREER PATHWAY (\*COMPETENCY)**

AOCs/Career Pathways with new courses and/or additional competency courses are listed in the table below.

CAREER PATHWAY	COURSE NAME	PRIMARY or RELATED
<b>CAREER CLUSTER: Agriculture, Food and Natural Resources</b>		
Ag Production, Management, Entrepreneurship	Small Engines Applications	Primary
Animal Science	Small Engines Applications	Related
Horticulture	Small Engines Applications	Primary
<b>CAREER CLUSTER: Architecture and Construction</b>		
Carpentry and Construction	Safety and Construction Skills I (CC)	Primary
	Safety and Construction Skills II (CC)	Primary
<b>CAREER CLUSTER: Arts, A/V Technology and Communications</b>		
Liberal Arts	*Beginning Orchestra	Primary
	*Dance I	Primary
Performing Arts	*Advanced Band	Primary
	*Advanced Chorus	Primary
	*Advanced Orchestra	Primary
	*Dance III, IV	Primary
	*Studio Piano I, II, III	Primary
	*Talented Music I-IV	Primary
	*Talented Theatre I, II, III	Primary
	*Theatre III, IV	Primary
*Wind Ensemble	Primary	
<b>CAREER CLUSTER: Business, Management and Administration</b>		
Administrative Support	Business Communications	Primary
<b>CAREER CLUSTER: Finance</b>		
Banking and Finance (NAF Academy)	Consumer Finance and Banking	Primary
<b>CAREER CLUSTER: Human Services</b>		
Social Services	Assistive Technology	Primary
	*Braille I	Primary
	*Braille II	Primary
<b>CAREER CLUSTER: Information Technology</b>		
Computer Engineering Systems (Oracle Internet Academy)	Java Programming	Primary
<b>CAREER CLUSTER: Manufacturing</b>		
Industrial Operations	Automation in Manufacturing	Primary
	Introduction to Fabrication, P-TECH and Manufacturing	Primary
	Manufacturing Process and Team Building	Primary

CAREER PATHWAY	COURSE NAME	PRIMARY or RELATED
<b>CAREER CLUSTER: Manufacturing</b>		
Industrial Operations	Manufacturing Tools and Equipment	Primary
	NCCER Heavy Equipment I, II (CC)	Primary
	NCCER Industrial Maintenance I	Primary
	NCCER Insulating I	Primary
	NCCER Millwright	Primary
Petro Chemical	NCCER Mobile Crane I, II (CC)	Primary
	*Oil and Gas Production Operations	Primary
	Oil Patch Preparation System (CC)	Primary
	*T2 Safety Systems for Oil and Gas	Primary
<b>CAREER CLUSTER: Marketing, Sales and Services</b>		
Entrepreneurship	*Business Enterprises for the Visually Impaired	Primary
Marketing and Sales Management	Sports and Entertainment Marketing	Primary
	Leadership	Related
	Personal Finance	Related

### CONSOLIDATED COURSES

Courses in the table below were previously assigned course numbers based on the certification area of the teacher. These courses have been consolidated into one universal course code – applicable to all teacher certifications.

PREVIOUS COURSE NAME	NEW COURSE NAME
NCCER Carpentry - AG NCCER Carpentry - TE NCCER Carpentry - T&I	NCCER Carpentry I (1-3 credits) NCCER Carpentry II (1-3 credits)
NCCER Electrical - AG NCCER Electrical - TE NCCER Electrical - T&I	NCCER Electrical I (1-3 credits) NCCER Electrical II (1-3 credits)
NCCER Instrumentation Control Mechanic - TE Control Mechanic - T&I	NCCER Instrumentation Control Mechanic I (1-3 credits) NCCER Instrumentation Control Mechanic II (1-3 credits)
NCCER Pipefitter - AG NCCER Pipefitter - TE NCCER Pipefitter - T&I	NCCER Pipefitter I (1-3 credits) NCCER Pipefitter II (1-3 credits)
NCCER Welding - AG NCCER Welding - TE NCCER Welding - T&I NCCER Welding Tech. I, II - TE NCCER Welding Tech. I, II - T&I	NCCER Welding Tech. I (1-3 credits) NCCER Welding Tech. II (1-3 credits)

<b>Career Cluster:</b>	<b>Agriculture, Food and Natural Resources</b>
