## 2016 SUPER SUMMER INSTITUTE

JULY 18-22, 2016

South Louisiana Community College  
Lafayette, Louisiana

This public document was published at a cost of \$774.00. Six hundred thirty-five (635) copies of this public document were published at this first printing at a cost of \$774.00. The total cost of all printings of this document, including all reprints, was \$774.00. This document was printed by the Office of Content; Louisiana Department of Education; P.O. Box 94064, Baton Rouge, LA 70804-9064. This material was printed in accordance with the standards for printing by State agencies established pursuant to R.S. 43.31.

The mission of the Louisiana Department of Education (LDOE) is to ensure equal access to education and to promote equal excellence throughout the state. The LDOE is committed to providing Equal Employment Opportunities and is committed to ensuring that all of its programs and facilities are accessible to all members of the public. The LDOE does not discriminate on the basis of age, color, disability, national origin, race, religion, sex, or genetic information. Inquiries concerning the LDOE's compliance with Title IX and other civil rights laws may be directed to the Attorney, LDOE, Office of the General Counsel, P.O. Box 94064, Baton Rouge, LA 70804-9064; 877.453.2721 or customerservice@la.gov. Information about the federal civil rights laws that apply to the LDOE and other educational institutions is available on the website for the Office of Civil Rights, USDOE, at <http://www.ed.gov/about/offices/list/ocr/>.

# WELCOME

Greetings Super Summer Institute Participants:

Thank you for attending the 2016 Super Summer Institute (SSI).

You are the pioneers in helping Louisiana students prepare for college and career. What you learn over the next week will enable you to return to your schools next month ready to prepare your students for credentialing opportunities that lead to successful adult lives.

Through your efforts students complete a solid foundation of work skills and academic competencies. This foundation will enable thousands of Louisiana students to continue their education and training after high school, “earning while learning” in their early careers.

Looking at the bigger picture I’m happy to report Jump Start implementation continued to gain momentum in 2015–2016. Louisiana teachers are earning industry-based credentials in unprecedented numbers. High schools around the state are expanding the number of Jump Start graduation pathways they will support. Next month we will start testing new ways to engage industry partners in expanding CTE opportunities for all of our students, with a focus on expanding Jump Start opportunities available for students with disabilities.

Next month the Department’s Jump Start team will also announce a number of innovative new Jump Start initiatives, including the Jump Start Video Network and the Jump Start Automated Text Response System.

Thank you to the conference partners in planning this event and South Louisiana Community College and Lafayette Parish School System for opening your campuses to host the institute.

And thank you, our attendees, for being a part of transforming career and technical education in Louisiana.

Sincerely,

John White  
Superintendent  
Louisiana Department of Education

# WELCOME

Greetings Super Summer Institute Participants,

I am genuinely pleased and excited to welcome you to the 2016 Super Summer Institute (SSI). Louisiana Community and Technical College System is honored to be a co-host for SSI with two outstanding partners. South Louisiana Community College graciously opened their campuses to host the event, and the Louisiana Department of Education worked tirelessly to coordinate the sessions. The institute is a collaborative endeavor providing secondary and post-secondary instructors access to instructor credentials supporting Industry-Based Certification instruction and student credentials.

This year's conference is a great opportunity to continue the Career and Technical Education momentum that the "Jump Start" program has created with districts, parents, students, and business/industry partners around the state.

My thanks to the many staff members from each conference partner, who played a role in organizing this year's conference. Thanks also to our many volunteers who have provided support to ensure the success of the conference.

Once again, welcome, and thank you for coming. Please enjoy the conference and leave refreshed, encouraged, and equipped to continue to prepare Louisiana's citizens with the many career opportunities, available through Career and Technical Education programs.

Sincerely,

Monty Sullivan, President

Louisiana Community & Technical College System

---

Greetings Super Summer Institute Participants,

It is my pleasure to welcome you to South Louisiana Community College (SLCC)! It is exciting to once more serve as host for the Super Summer Institute (SSI). The collaborative efforts of post-secondary and secondary partners has resulted in a well-planned week of exciting training opportunities for instructors from across our state.

Through these efforts, seamless education pathways for students will be strengthened to address the workforce needs of Louisiana. I sincerely hope that you enjoy your professional training week here on our beautiful facilities and I look forward to seeing you around our campus.

Sincerely,

Natalie J. Harder, Ph.D.  
Chancellor, SLCC
