These quizzes are available on CIW Online, and can be found on each of the lesson pages in the Online Resources.</p> <p><i>Exam ID:</i> 1D0-61A</p> <p><i>Course Name:</i> Internet Business Associate (formerly CIW internet Business Foundations)</p> <p>Exam Objectives <i>Number of Questions:</i> 30</p> <p><i>Passing Score:</i> 66.66%</p> <p><i>Time Limit:</i> 30 minutes</p> <p>Exam Information is found online, and it covers the following topics:</p> <p>1) <i>Exam Retirement</i> 2) <i>Taking an Exam</i> 3) <i>Exam FAQs</i> 4) <i>Exam Policies</i></p> <p>A document detailing school system technical requirements and other frequently asked questions can be found at the Equipment and Hardware link.</p> <p>Educators seeking student accommodations must make their request to Pearson VUE at least 30 days before the scheduled exam appointment: http://pearsonvue.com</p>				
<p>Industry-Based Certification Requirements: Teachers</p> <p><i>Bulletin 746, Chapter 5: All Louisiana teachers providing instruction in a course that leads to an IBC must hold the certification that they're teaching students to attain.</i></p>					
Instructor Certification Requirements (by certifying agency)	The Web Foundations Associate credential is required as well as the Internet Business Associate teacher certification. The CIW Instructor Program Guide provides information on Web Foundations series, certifications, and how to become a CIW Certified Instructor.				
Proctoring / Test Security (if any)	CIW exams are administered under secure, proctored conditions at Authorized Prometric and Pearson VUE testing centers . Prometric and Pearson VUE confirm the identity of exam candidates and provide a controlled environment for collecting and transmitting exam results.				
<p>Certification Tracking</p>					
Credentialing Documentation	<p>CIW maintains all documentation. Students create their own account in the CIW Candidate Information Center and can track Web Foundations Associate certification (and other certifications offered by CIW) online. Students can print out copies of their certifications they have earned.</p> <p><i>Teachers</i> can track the certification results of their students using the student voucher number used for the exam. <i>Schools will not be able to track the results of students who take the exam at a public testing center without the cooperation /disclosure by the student.</i></p>				
Certification Tracking System	Online Tracking System?	Yes	Details	N/A	
Other Details	Expiration Timeframe?	Internet Business Associate certification doesn't expire although skill objectives and certification exams are revised periodically when the industry dictates that updates are needed.
