Part of which Graduation Pathways ¹	<u>Integrated:</u> Manufacturing, Construction Crafts and Logistics; Agriculture Tech					
Associated with Which Careers?	5 Star: Operating Engineers and Other Construction Equipment Operators; Heavy Tractor-Trailer Truck Drivers 4 Star: Excavating and Loading Machine and Dragline Operators; Paving, Surfacing, and Tamping Equipment Operators 3 Star: Logging Equipment Operators, Agricultural Equipment Operators, Construction Laborers					
Entry-Level Annual Salaries	\$17,030 - \$31,210					
Industry-Based Certification Requirements: Students						
Standard / Curriculum	NCCER Core is a prerequisite for completion of all NCCER credentials (and all Helper pathways). Classes may be taught concurrently, but Level 1 or above credentials cannot be attained until NCCER Core has been successfully completed. NCCER Heavy Equipment Operations Curricula Following completion of Level 1, higher levels may be attempted in sequential order.					
Testing Methodology	Paper?	Yes	Online?	Yes	Performance Exams / Tests?	Yes
Re-Testing (if available)	Re-Testing Procedures	Students may retest after 48 hours. During the 48 hour span, students may not be exposed to the assessments or any questions.			Max Attempts	No maximum number of attempts
Testing Details (including any age requirements / accommodations)	NCCER does not have any age restrictions for their credentials. NCCER assessments must be supervised by a certified NCCER Craft Instructor or Proctor at a certified NCCER Training Facility. Before any assessment is given to the student, instructor must have an NCCER Registration and Release Form on file for the student with parent/guardian signature. Students must pass written exam with a score of 70% or better. Performance verifications are pass/fail and must be signed off by the certified Craft Instructor. Testing accommodations, specifically tests read aloud, are only available for designated students. NCCER has given permission for school personnel to administer the assessment in a one-on-one setting provided the NCCER Craft Instructor ensures test security and documentation of IEP is kept on file.					

Industry-Based Certification Requirements: Teachers

Bulletin 746, Chapter 5: All Louisiana teachers providing instruction in a course that leads to an IBC must hold the certification that they're teaching students to attain.

Instructor Certification Requirements (by certifying agency)	Instructor must be a certified NCCER Heavy Equipment Operations Craft Instructor with current certification at the level he / she is teaching. The state must have a Form 702A and documentation of skill on file at LDOE for instructors to certify students in NCCER Heavy Equipment Operator. To maintain NCCER Instructor certification, instructor must have Registration of Training Modules approved by NCCER before ICTP expiration (certification will be extended 3 years from completion date on Registration of Training Modules).				
Proctoring / Test Security (if any)	Only Master Trainers and NCCER Certified Instructors will have access to the tests. Tests will be administered by the instructor or Curriculum (ICTP) Proctor.				
Certification Tracking					
Credentiaing Documentation	All scored module tests (both written and performance) will be kept in a secure physical or electronic location for at least three years. Results are submitted through the NCCER Registry . Students upon completion of NCCER Core and all NCCER Heavy Equipment Operations modules, will receive a certificate and/or NCCER Card (this card is provided one time upon completion of first NCCER certification). Sample NCCER Credential Sample NCCER Wallet Card
