

Workplace Safety

Regional Pathway	<p>The Workplace Safety graduation pathway is a Regional pathway. Students must:</p> <ol style="list-style-type: none"> 1) pass 9 Carnegie credits of courses from this pathway; 2) including at least one Career Readiness course (one Carnegie credit); and 3) attain three specified credentials: <ol style="list-style-type: none"> a) NCCER Core; b) First Aid; and c) OSHA 10.
-------------------------	---

High-Demand Careers Related to this Pathway	<p>Careers in construction, manufacturing and related industrial careers; also applicable to selected hospitality and retail careers</p> <p>5 Star: Welders, Cutters, Solderers, Brazers, Plumbers, Pipefitters, Steamfitters, Industrial Machine Mechanics; General and Operations Manager, Sales Manager</p> <p>4 Star: Boilermakers, Maintenance and Repair Workers, Sheet Metal Workers, Structural Metal Fabricators and Fitters; Food Service Manager, Lodging Manager, First-Line Supervisor of Retail Workers, Store Manager, Assistant Store Manager</p>
---	---

Starting Salary Ranges for this Pathway	\$16,000 - \$20,000
--	---------------------

Workplace Safety Graduation Pathway: Sections

1	Pathway-Specific Courses	<p>This section lists the course titles and codes for courses specific to this pathway</p> <p>Each table also indicates those courses that qualify for the basic 6% CTE adder (<i>course codes beginning with "01", "04", "07", "08", "09", "10", "11" or "31" are CTE courses</i>) as well as those courses that qualify for the additional 6% Career Development Fund (or CDF) payment.</p>
2	Universal Jump Start Courses	This section lists the course titles and course codes for courses that are part of every Jump Start graduation pathway
3	Career Readiness Courses	This section lists the course titles and codes for courses that qualify as Career Readiness Courses. Students must pass at least one Carnegie credit of Career Readiness courses, but may apply more than one Career Readiness course to their 9 credit Jump Start graduation requirement.
4	Internships	This section indicates the three types of internships and the appropriate course codes.
5	Culminating Credentials	This section indicates the required culminating credential(s) for this pathway.
6	Sample Schedule	This section provides a sample schedule for students pursuing this graduation pathway. Each high school will develop its own standard schedules for Jump Start students.

Pathway	Workplace Safety
----------------	-------------------------

Jump Start Graduation Pathway Quality Control

Bulletin 138 provides the LDE with quality control mechanisms that guard against the over-utilization of lower-level graduation pathways (like Workplace Safety) among students capable of attaining higher-level industry-valued certifications as the culminating credentials for their Jump Start TOPS Tech Diplomas.

Each year the LDE will analyze each LEA's utilization of Jump Start graduation pathways (including those customized pathways utilized by Act 833-eligible students). If the LDE finds there is a question as to whether or not students are being encouraged and supported to achieve to the maximum of their abilities then the Jump Start team will counsel that LEA.

Based on the results of this counseling, the LDE may impose a limit on the number of specific graduation pathway students that LEA can graduate in following years pending the implementation of new Jump Start processes at the school level.

Jump Start Graduation Pathway Revision Policy

Jump Start graduation pathways are continuously updated. Please use the most updated graduation pathways.

Future changes to Jump Start graduation pathways will always increase student opportunities. *No one will ever need to compare an old pathway with an updated pathway.*

Please send any recommended graduation pathway changes to JumpStart@la.gov using the subject line: *Recommended Graduation Pathway Change.*

The Department reserves the right to make administrative updates to Jump Start graduation pathways, including but not limited to updating course codes, correcting errors on course codes, correcting spelling errors and other similar changes.

The Department reserves the right to delete courses no longer meeting state standards. When this occurs, the Department may add a section to the graduation pathway indicating: "Courses Deleted from this Graduation Pathway."

The Department reserves the right to make changes on credentialing requirements based on guidance provided by the Jump Start Graduation Pathways Review Panel. (Please see the *All Things Jump Start* web portal for information about this Panel.) The Department will also maintain contact with certifying agencies and the Workforce Investment Council (WIC) to update the Statewide, Core and Complementary credentials indicated in each graduation pathway.

Louisiana educators can seek assistance with Jump Start graduation pathways at any time by emailing their questions to JumpStart@la.gov

Help Resources

Please see the updated *All Things Jump Start* web portal: <http://www.louisianabelieves.com/courses/all-things-jump-start/> The updated portal provides easier access to:

- updated Jump Start graduation pathways;
- updated industry credential fact sheets that provide comprehensive details on over 100 Jump Start industry credentials;
- guidance on how your school can implement workplace internships and virtual workplace experiences; *and much, much more.*

Career Readiness Courses

These courses all qualify as Career Readiness courses. Every Jump Start student must take a minimum of one Carnegie credit of Career Readiness courses.

There is no limit on the number of Career Readiness course credits a student may apply to the 9 CTE course credit requirement for the Jump Start Career Diploma.

Career Readiness courses are universal courses – they apply to every Jump Start graduation pathway.

---------	------------------

Internships, Cooperative Courses and Virtual Workplace Experience Courses

Cooperative courses, Virtual Workplace Experience courses and Internships (with the exception of Non-CTE Internships) are universal courses - they apply to every Jump Start graduation pathway.

Internships

There are three types of internships:

- 1) **CDF-Qualifying Internships** where students are placed in a company that operates in one of the WIC-approved high-demand industry sectors. CDF-Qualifying Internships qualify for *both* the 6% MFP adder paid for all CTE courses *and* the 6% Career Development Fund (CDF) adder;
- 2) **CTE Internships** where students are placed in a company that operates in any other industry sectors. CTE Internships qualify *only* for the 6% MFP adder for all CTE courses; and
- 3) **Non-CTE internships** where students are placed in a non-business internship. Non-CTE Internships do not qualify for any MFP adder. Examples of Non-CTE Internships include internships at a school office, a volunteer organization or a religious organization. **Non-CTE Internships are not part of any Jump Start graduation pathway.**

WIC-Approved High-Demand Industry Sectors

Internships that qualify for the 6% CDF payment **must** be in a WIC-approved high-demand industry sector.

Culminating Credential(s)

To graduate using a Regional graduation pathway students must attain: 1) one Core credential or the equivalent LCTCS Certificate of Technical Studies / Technical Diploma; and 2) two Complementary credentials.

Students who graduate with Regional pathway credentials earn their school 100 accountability points.

Culminating Credential(s) / Certifying Industry Agency(ies)	<p><u>Core Credentials: students must attain three credentials from the list below:</u></p> <p>1) NCCER Core</p> <p>2) Red Cross First Aid and CPR for Students Certification, AHA (or approved equivalent)</p> <p>and then either of the two OSHA 10 credentials:</p> <p>3a) OSHA 10 – General Industry - OSHA Certificate of Completion</p> <p style="padding-left: 20px;">or</p> <p>3b) OSHA 10 – Construction - OSHA Certificate of Completion</p> <p style="background-color: yellow; padding: 5px; text-align: center;">Students graduating via the Workplace Safety pathway are exempt from the limitation of applying only one Safety Complementary credential towards their graduation requirements</p>
---	---

Jump Start Graduation Pathway Quality Control

Bulletin 138 provides the LDE with quality control mechanisms that guard against the over-utilization of lower-level graduation pathways (like Workplace Safety) among students capable of attaining higher-level industry-valued certifications as the culminating credentials for their Jump Start TOPS Tech Diplomas.

Each year the LDE will analyze each LEA’s utilization of Jump Start graduation pathways (including those customized pathways utilized by Act 833-eligible students). If the LDE finds there is a question as to whether or not students are being encouraged and supported to achieve to the maximum of their abilities then the Jump Start team will counsel that LEA.

Based on the results of this counseling, the LDE may impose a limit on the number of specific graduation pathway students that LEA can graduate in following years pending the implementation of new Jump Start processes at the school level.

Pathway	Workplace Safety
----------------	-------------------------

Sample Schedule

This schedule is *only one example* of how a student can meet the requirements of this pathway and graduate on time with the required culminating credential(s).
 Each high school will develop its own standard schedules for Jump Start students based on the courses available to its students (in school, at the local technical college, or via Course Choice).

9 th Grade	10 th Grade	11 th Grade	12 th Grade
Algebra Readiness (non-math elective) Algebra I English I Civics <i>Introduction to Business Computer Applications</i> <i>Basic Career Readiness</i> Physical Education I	Math Essentials English II Biology Agriscience I <i>General Technology</i> Physical Education II / Health <i>Elective Course</i>	Geometry Business English U.S. History <i>Agriscience Science II</i> <i>NCCER Core</i> <i>Workplace Safety</i> <i>Elective Course</i>	Financial Literacy Senior Apps in English Technical Writing (ELA credit) <i>Advanced Career Readiness</i> <i>Principles of Business</i> <i>Speech I</i> <i>Elective Course</i>
7 credits	7 credits	7 credits	7 credits
Credentials Earned by this Hypothetical Student	Required Credentials 1) NCCER Core 2) Red Cross First Aid and CPR for Students Certification (or approved equivalent) 3) OSHA 10 – General Industry		
<i>Bold italicized courses count as one of the required 9 Carnegie credits for graduation via this pathway</i>			

Every Pathway Can be Adapted for Students Meeting Act 833 (2014) Eligibility Criteria

Every Jump Start graduation pathway can be adapted for students with disabilities who meet Act 833 (2014) eligibility criteria. Students must complete nine credits of CTE courses from the courses listed in the pathway. The IEP team has the authority to determine the credentialing level a student must achieve for the purposes of graduation (analogous to using individual performance criteria to meet EOC requirements for the purposes of graduation).

IEP teams with questions about how to adapt this graduation pathway for their student should contact JumpStart@la.gov
