SUPERINTENDENT'S MESSAGE

Please see below for updated webinar login information.

Dear Colleagues,

For more than five years, we have been working together to unify early childhood in our state. Today we reach an important milestone: the roll-out of the 2016-2017 Performance Profiles for all publicly-funded child care, Head Start and pre-K sites.

We invite all publicly-funded sites to participate in a statewide webinar on November 8 that will provide detailed information on the [Louisiana School and Center Finder](#) website and review statewide results from 2016-2017. We will also discuss tools to help sites understand the profiles, as well as resources for improvement such as the child care curriculum initiative.

2016-2017 Performance Profile Webinar (UPDATED LINK):

- Date: **November 8**
- Time: 12:00 p.m. - 1:00 p.m.
- Link: <https://louisianaschools.adobeconnect.com/earlychildhood/>

Please note this webinar will be recorded for those unable to join. The webinar recording, as well as additional resources related to the performance profiles will be included in future early childhood newsletters. To help educate families on how early childhood ratings are developed, the Department has released [an animated video](#).

We look forward to reflecting on the progress we have made, as well as identifying areas for us to continue to work together to improve.

And as always, thank you for all you do for our children.
