

14-15 ELA and Math Teacher Leader Professional Development Calendar

As part of the effort to provide increased, intensive support to Louisiana educators, the Department of Education is providing over 6,500 seats for professional development in ELA and math this summer.

The Department’s professional development will focus on supporting educators to plan, instruct and assess using Louisiana’s math and ELA standards. Please email LouisianaTeacherLeaders@la.gov with all questions. The 14-15 professional development will include:
