

# 2019–2020 SCHOOL SYSTEM SUPPORT CALENDAR

The Louisiana Department of Education (LDOE) is committed to providing educators at each level of the education system – school system leaders, school leaders and Teacher Leaders – with the supports and resources they need to continue raising the bar for students in Louisiana. This document – a supplement to the [School System Planning Guide](#) – provides the schedule of in-person trainings, virtual support, tools and resources, and communication streams designed to support educators as they establish high expectations for teaching and learning to ensure that every student succeeds.
