NCCER Guidance and Resources

April 2015

NCCER Guidance and Resources Webinar

- Welcome
- You are being placed in broadcast mode as you join the session to reduce background noise.
- To access audio during the presentation, please dial 1-800-747-5150 and use access code 3423355
- Today's webinar slide deck will be available for download in the webinar library on the state website.
- If you have any issues, please contact presenter via the Q&A pod to the right of the screen.
- We will begin shortly. Thank you.

Overview

- **NCCER Craft Instructor Certification Guidance Document**
 - **Craft Level Instructor vs. Craft Level Completion**
 - **Instructors with current NCCER Craft Instructor/Specialty Instructor Certification**
 - **Adding NCCER Specialty Instructor Levels of Crafts to a current NCCER Instructor/Specialty Instructor**
 - **Maintaining NCCER Craft Instructor Certification**
- **Using NCCER's Automated National Registry (ANR)**
 - **Website Guide**
 - **Reading Transcripts**
 - **Interpreting Transcripts**

NCCER Craft Instructor Certification Guidance Document

NCCER Craft Instructor Certification Document

- LDOE has developed a guidance document to assist district staff and NCCER Instructors
- The document is located in the [Jump Start library](http://www.louisianabelieves.com/docs/default-source/course-choice/nccer-craft-instructor-certification-guidance---21-april-2015.pdf?sfvrsn=2):
<http://www.louisianabelieves.com/docs/default-source/course-choice/nccer-craft-instructor-certification-guidance---21-april-2015.pdf?sfvrsn=2>

Craft Level Instructor vs. Craft Level Completion

Craft Level Instructor

Craft Level Completion

	ICTP Course Completion	NCCER Course Completion
Instruction provided by	NCCER Master Trainer	NCCER Certified Instructor
Form submitted to ANR	Form 101	Form 200
Certificate provided upon completion	NCCER Craft Instructor Certificate	NCCER Certificate of Completion
Assessments	Nine (9) ten question written assessments and a ten minute presentation with critique	Series of written assessments and performance verifications (amount can vary depending on craft)
Prior approval required	From State Sponsor Representative	None
Meaning of certificate	Instructor has documentation proving skill in one or more craft levels. Instructor can certify trainees in the areas certified.	Instructor holds the IBC from NCCER showing completion of a craft or level.

Instructors with NCCER Craft Instructor Certification

- Current NCCER Craft Instructors who do not hold a NCCER IBC in areas they are teaching may still certify students (per NCCER Guidelines)
- However, to offer and transcript a [Career Development Fund Jump Start “Technical Course”](#) aligned to a statewide IBC, the instructor must hold the IBC in the title of the NCCER Course
 - **EXAMPLE:** A district that is teaching Welding Technology as opposed to NCCER Welding I would only receive 6% funding, which is approximately \$240 as opposed to approximately \$480/student for a Jump Start CDF pathway

Instructors with NCCER Craft Instructor Certification

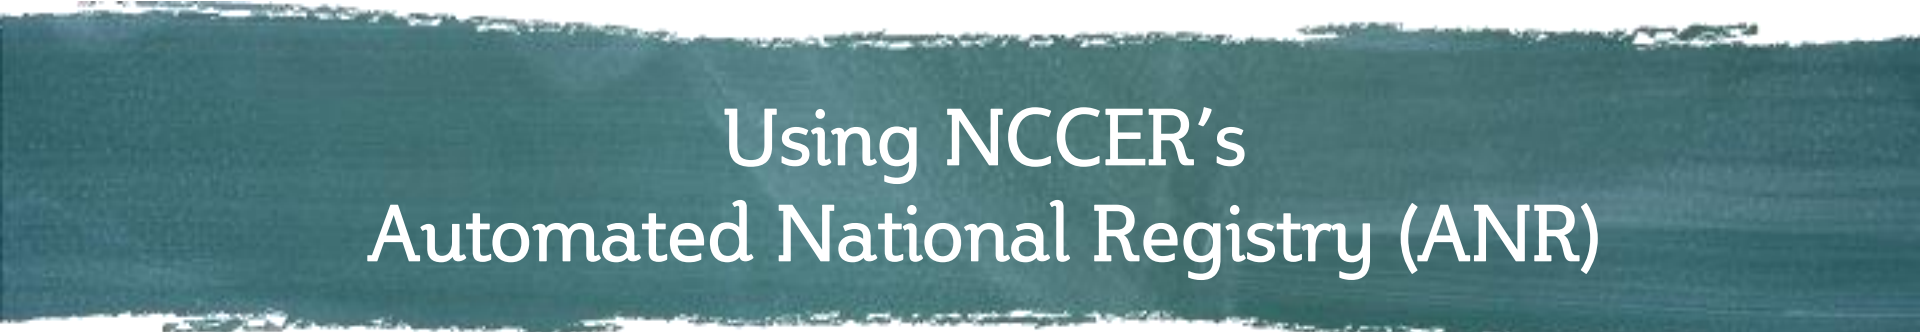

Example of variables	NCCER Instructor in Welding	NCCER Instructor in Welding with NCCER Welding IBC
Course Offered	Welding Technology	NCCER Welding I
Instructor Certification	NCCER Craft Instructor Welding	NCCER Craft Instructor Welding AND NCCER Welding Level One Certificate of Completion
Certification Student Receives	May receive NCCER Welding Level One	NCCER Welding Level One
CDF Funds Eligible	Not eligible for additional 6% CDF funding	Eligible for 6% additional CDF funding
Site Requirements	If certifying NCCER, NCCER ATEF	NCCER ATEF

Adding Levels to a Craft Instructor

- Documentation of skill set beyond current NCCER Specialty Instructor area may be provided to State Sponsor Representative.
 - After review and approval, this area will be added to instructor's certification.
 - Acceptable documentation is a resume or proof of holding other IBCs in the skill area
- Completion of NCCER Craft Level will be acceptable documentation
 - Note that completion of ***NCCER Core Curricula*** is a prerequisite for Level One completion in most craft areas.

Maintaining ICTP Certification

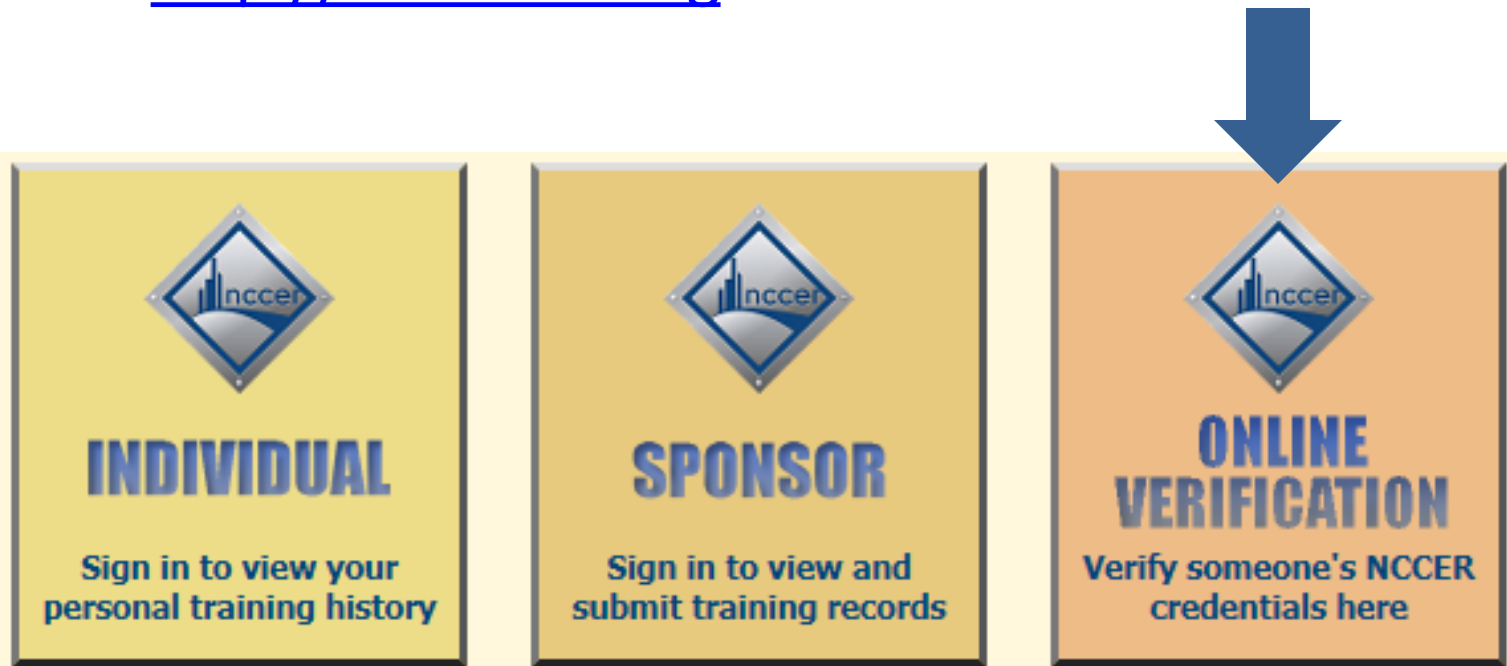

- Completion of ICTP certifies an instructor 3 years from the completion date of the class
- To maintain certification, the instructor must have Form 200 approved by NCCER before expiration date of Craft Instructor Certification.
 - ICTP will be extended 3 years from completion date on Form 200
 - ICTP will extend all craft instructor certifications regardless of module listed on Form 200

Using NCCER's Automated National Registry (ANR)

Website Guide

- NCCER's ANR can be accessed by going to the following web address: <http://anr.nccer.org>

- Select “Online Verification” and insert the NCCER card number for an instructor to view his/her ANR transcript
- No username or password is required

Reading ANR Transcripts

- NCCER Craft Instructors' transcripts look different

NCCER Instructor Certifications		
Expires	Certification	Date Certified
5/1/2017	Craft Instructor	6/17/2011
	*Craft Certifications	
	Core Curricula	6/17/2011
	*Level Certifications	
	Carpentry Level One	6/17/2011

- The transcript above indicates Craft Instructor Certifications in Core and Carpentry Level One
 - Instructor certification expires 5/1/2017
 - Because level completions exist, certification is based on documentation

Levels Completed

Date	Level
3/16/2015	Core Curriculum
3/16/2015	Welding Level One
3/16/2015	Welding Level 1: AWS-SENSE EG2.0 Compliant

Modules Completed

Date	Module
3/16/2015	00101-09 Basic Safety
3/16/2015	00102-09 Introduction to Construction Math
3/16/2015	00103-09 Introduction to Hand Tools
3/16/2015	00104-09 Introduction to Power Tools
3/16/2015	00105-09 Introduction to Construction Drawings
3/16/2015	00106-09 Basic Rigging
3/16/2015	00107-09 Basic Communication Skills
3/16/2015	00108-09 Basic Employability Skills
3/16/2015	00109-09 Introduction to Materials Handling
7/11/2014	29101-09 Welding Safety
7/11/2014	29102-09 Oxyfuel Cutting
7/11/2014	29103-09 Plasma Arc Cutting
7/11/2014	29104-09 Air Carbon Arc Cutting and Gouging
7/11/2014	29105-09 Base Metal Preparation
7/11/2014	29106-09 Weld Quality
7/11/2014	29107-09 SMAW-Equipment and Setup
7/11/2014	29108-09 Shielded Metal Arc Electrodes
11/18/2014	29109-09 SMAW-Beads and Fillet Welds

- The instructor has completed NCCER Core and NCCER Welding Level One
- This documentation will allow the instructor to be certified to teach NCCER Core and NCCER Welding Level One

Certification

Craft Instructor

*Craft Certifications

Core Curricula

*Level Certifications

Carpentry Level One

Welding Level One

Jump Start Credential Fact Sheets

Starting immediately, a growing number of Jump Start Credential Fact Sheets will be available on the Department's LouisianaBelieves.com website.

These fact sheets provide all the information educators will require to understand what a credential is . . . how students can prepare to attain the credential . . . the certification teachers will need . . . testing and credentialing cost information . . . and who to call with questions / for help.

The first 20 Jump Start Credential Fact Sheets have already been posted. The remaining ~100 fact sheets will be posted over the next several weeks.

We will be holding a webinar to review the the structure and use of the Jump Start Credential Fact Sheets: **May 6, 2015 @ 1:00PM**

For additional information email JumpStart@la.gov

Jump Start: Upcoming Activities

Timeframe	Key Activity
May	<ul style="list-style-type: none">• Next round of graduation pathway submissions are available for adoption (Maritime, Micro-Enterprise)• Regions can continue to submit their pathway adapt / adopt spreadsheets, indicating the graduation pathways they want to use with their students• Jump Start Graduation Pathway Review Panel meets to consider new graduation pathways (for approval by BESE in June)• Graduation pathway “harmonization” (typo corrections, common formatting, consistent course listings, etc.) begins
June/July	<ul style="list-style-type: none">• Course Choice registration for courses that help students complete their Jump Start credentials, and which qualify for the CDF payment (~\$240/course credit)• Student Summer Safety Sessions - 5 locations, 100 students across the state attain the three credentials required for the Workplace Safety graduation pathway• Super Summer Institute - teacher certification training for Industry Based certifications• Graduation pathway “harmonization” complete

2015 Jump Start Super Summer Institute

LDOE, in partnership with SLCC and LCTCS, will provide teacher certification training for [Statewide Jump Start Industry Based Certifications](#) at the 2015 Jump Start Super Summer Institute (SSI).

Date: July 20 – 24 from 8:00am – 5:00pm

Location: South Louisiana Community College in Lafayette, La

The Department will pay training costs as well as lunch for secondary instructors during SSI. Districts are responsible for all travel expenses and a nominal registration fee (\$150.00/person) for which districts may use their Career Development Funds (CDF) or 2014-2015 Carl Perkins Funds.

Registration is April 8 – May 8, 2015 and requires teachers to input a District Purchase Order number that will be used for payment of registration fees. Each district will be invoiced for total registration fees due and will submit payment accompanied with a copy of the on-screen registration confirmation / message for all teachers registered.

Use the following link to register: <https://www.solutionwhere.com/ldoe/cw/showconference.asp?4150>

For additional information email JumpStart@la.gov

Question & Answer

LDOE State Sponsor Representatives:

B.J. Bertucci (bryan.bertucci@la.gov)

Dr. Janet Broussard (janet.broussard@la.gov)
