

**Accelerate ELA: System Implementation**  
**Teacher Leader Summit 2022**

<b>Planning ELA Accelerate Implementation</b>	
<p>How will you schedule Acceleration? Consider both the school system's calendar and the school day.</p>	
<p>Which students will benefit the most?</p> <ul style="list-style-type: none"><li>● How will you select them?</li><li>● How will you schedule them?</li><li>● Will you strategically place your tutors?</li></ul>	
<p>What diagnostic data will you collect to determine student need? Consider differing needs by grade level.</p>	
<p>How will you track progress and growth? Will it all be in test scores or will there also be anecdotal evidence?</p>	
<p>How will you provide the necessary materials and resources to teachers?</p>	
<p>Is any training needed at your school or in your school system? If so, specify which professional development opportunities could be of assistance.</p>
