

Part I: Assessment Plan Updates

<p>What changes do you notice about the updated assessment plan?</p>	
<p>What questions do you have about the updated assessment plan?</p>	

**ASSESSMENT APPROACH**

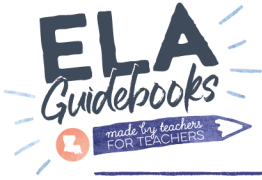

Part II: Evaluation Plan Overview

In the boxes below, take note of the purpose of each phase of the assessment design.

Monitor	
Diagnose	
Evaluate	

Part II: Analyze Culminating Task

Unit Title:	
<b>Culminating Task Prompt:</b> What question are students responding to in this unit.	
What <b>knowledge</b> do students need to be successful on the culminating task?	
What <b>skills</b> do students need to be successful on the culminating task?	

Part III: Analyze Assessments

Section	Knowledge	Skills

Reflection: How do the section diagnostics build the knowledge and skills that students need in order to be successful on the culminating task?
