

Overview

From catastrophic hurricanes to a global pandemic, Louisiana has faced extraordinary obstacles over the past two years. Nonetheless, our educators have shown unwavering resilience every single day. That is what makes Louisiana what it is. We don't run from adversity; we face it head-on – together. This year's Teacher Leader Summit is making a comeback, just like our educators are doing from the adversity Louisiana has experienced. This year's Summit and next school year will be better than ever.

The 2022 Teacher Leader Summit is an annual professional development conference which brings together Louisiana birth to grade 12 educators and content experts. Educators participating in the event will share their knowledge, learn new skills, and prepare for the 2022-2023 school year.

- The Teacher Leader Summit will take place from **May 31 - June 2, 2022** at the **New Orleans Ernest N. Morial Convention Center (NOENMCC)**.
- Registration for this event will be on a first come, first served basis. As space is limited, we encourage you to register early.

The purpose of this document is to outline the specifics of Teacher Leader Summit 2022. Event updates will be posted to the [Teacher Leader Summit webpage](#).

Summit Objectives

- **Improve the everyday practice of educators in Louisiana** by building their knowledge and skill in key areas related to their role.

- **Foster a culture that celebrates and engages** educators and **empowers** and **inspires** them to take on an even greater leadership role within their classrooms, schools, and school systems.
