Which evidence-based activities will the LEA invest in? (check all that apply)

- [Literacy interventions and extensions](#)
- [Reading screener](#) three times a year (K-3)
- High-quality assessments aligned with instructional materials
- [Professional learning](#) to teachers aligned with high-quality materials
- Extended school year (If implementing summer programs separate from the school day, please use that category.)

Will the LEA serve students in grades three through eight in the 2023-2024 academic year?

- Yes

If yes, please explain how the LEA will provide expanded academic support for students in grades three through eight who failed to achieve mastery on any statewide assessment administered pursuant to the state's school and district accountability system in reading or math in the previous academic year? (All areas outlined in [RS 17:100.13](#) should be addressed)

LEAP achievement data is used to tier students for intervention. Students in Tiers 2 and 3 receive targeted, intensive, and monitored interventions designed to support their growth towards grade level academic benchmarks.

In grades 3 and 4, students receive 60 minutes of academic personalized learning a day - 5 days a week. This personalized learning for students in Tiers 2 or 3 looks like small group instruction with their classroom teacher or with a content-specific academic interventionist. In grades 5th-8th, students receive 30 minutes of academic personalized learning a day - 4 days a week. These personalized learning blocks are built into the schedule. In-school and after school Math tutoring is offered every day after school to approximately 20 students per grade level. Students are selected based on their academic Tier and previous LEAP performance. Students are instructed in the grade-level skills that they need extra support with.
