

The Social Studies Course Frameworks are aligned to the [2022 Louisiana Student Standards for Social Studies](#) (LSSSS) for Kindergarten through grade 8, high school Civics, and high school U.S. History. These resources are designed to support teachers in implementing the 2022 LSSSS by scoping and sequencing content standards over the course of the year.

Units for K-8 and high school civics are available now and can be accessed by the links below. Additional units will be added to the course frameworks as they are completed.

The Course Frameworks and source documents will be updated as needed by the Department. Please access the most current version of the documents in the folders below.
