

Test	Who takes the test?	What does the test measure?	How are results reported?
LEAP 2025	Grades 3-8 ELA, math, science and social studies	These assessments are aligned to the Louisiana Student Standards which were developed with significant input from Louisiana educators.	<p>For Students: Student reports that outline how students performed overall and within specific subcategories of the content area.</p> <p>For Public: View school and district results.</p>
National Assessment of Education Progress (NAEP) select schools and students	Grades 4 and 8	The National Assessment of Educational Progress (NAEP) is the largest continuing and nationally representative assessment of what the nation's students know and can do in subjects such as mathematics, reading, science, and writing.	<p>For Students: Students do not receive individual scores.</p> <p>For Public: NAEP releases a statewide report. View the 2015 report.</p>
English Language Proficiency Test (ELPT)	Students who are learning English as a second language are assessed annually using the ELPT.	The ELPT measures proficiency in listening, speaking, reading and writing.	Student results are provided to parents and schools in a student report that outlines how the student performed overall, and within specific subcategories of the content area.

Alternate Assessments			
Test	Who takes the test?	What does the test measure?	How are results reported?
Louisiana Educational Assessment Program (LEAP) Alternate Assessment, Level 1 (LAA1) for science only	Students in grades 4 and 8 with significant cognitive disabilities are eligible to take the LAA1 for science only.	The LAA 1 is based on extended standards that capture the core academic content of academic standards.	Student results are provided to parents and schools in a student report that outlines how the student performed overall, and within specific subcategories of the content area.
Louisiana Educational Assessment Program (LEAP) Connect	Students with significant cognitive disabilities are eligible to take the LEAP Connect in ELA and math.	LEAP Connect is based on the Louisiana Connectors for ELA and math that capture the core content of academic standards.
