

GUIDELINES

for Selection of Candidates

GENERAL INFORMATION

A. THE STUDENTS OF THE YEAR AWARDS PROGRAM:

The Students of the Year Awards Program is designed to recognize outstanding elementary, middle/junior high, and high school students. This program, patterned after the Teacher of the Year Awards Program, is an excellent opportunity to recognize those students who have demonstrated excellent academic achievement, leadership ability, and citizenship. The Students of the Year Awards Program is sponsored by the Louisiana State Superintendent through the State Department of Education and the State Board of Elementary and Secondary Education.

B. SELECTION PROCEDURES:

To recognize the many excellent students in Louisiana, the Student Achievement Selection Committee will choose state winners in the following categories:

1. Elementary Student of the Year (*only students in the fifth grade are eligible*)
2. Middle/Jr High School Student of the Year (*only students in the eighth grade are eligible*)
3. High School Student of the Year (*only students in the twelfth grade are eligible*)

Every **public and approved nonpublic school** in the state with students enrolled in grades 5, 8, and/or 12 is invited to submit nominees. Each public school system and nonpublic school participating in the program shall establish written procedures to determine the initial selection of the candidates for the program and procedures for resolving issues and disputes related to candidate selection. These procedures are to be consistently implemented throughout the Local Education Agency (LEA)/ Charter Management Organization (CMO)/ Diocese at each school participating in the program. Prior to the selection at the school level, parents are to be notified of the program, the selection process, and school and system level procedures for resolving issues and disputes related to the selection of candidates. At the state and regional levels, a consensus of the selection committee will be used to determine the nominee or finalist in the event of tie scores.

All charter schools (Types 1, 2, 3, 3A, 4, and 5) will be divided into five zones within Region 7 based on geographical locations, with nominee(s) from each of these regions submitted to the Region 7 Achievement Selection Committee. The number of nominees per grade level from each zone will be based on the number of CMOs identified in a zone. Nominees for each zone will be selected based on portfolio content and an interview which can be completed through face-time or skype.

All charter schools (all types) will submit their Charter Management organization (CMO) nominees to their Charter Area Selection Committee Chairman. CMOs will be notified of their zone assignment. University Lab Schools will submit their nominees to the parish in which they are located.

C. LOCAL EDUCATION AGENCY/ DIOCESAN SELECTION PROCEDURES:

The names of students selected at the school level are submitted to each Local Education Agency (LEA), Charter Management Organization, or diocesan systems elementary, middle, or high school Student Selection Committees. Each of the LEA/CMO/diocesan Student Selection Committees is to be appointed by the Superintendent, CEO or Executive Director for the LEA/ CMO, or diocese and should be composed of at least 3-5 members meeting any of the following criteria.

1. One teacher who teaches the indicated level (elementary, middle/junior high, or high school)
2. One school administrator
3. One central office administrator
4. Two to three community members representing business/industry, labor, civic, and (if applicable) charter organizations

All committees are to include equitable representation from all ethnic and racial groups.

The function of these committees is to apply the established criteria, including those for application portfolios, and to select a candidate in each of the three categories: elementary, middle/junior high, and high school. The names of nominees from each charter Management Organization is submitted to a Charter Area Selection Committee along with the nominees portfolios. The names of candidates from each LEA, diocesan system, or CMO zone are submitted to the appropriate Regional Selection Committee Coordinator, along with supporting documents. **It is highly recommended that the school, and LEA, diocesan, and CMO committees conduct interviews and review writing samples since these are components of the regional and state level programs.**

D. REGIONAL AND STATE SELECTION PROCEDURES:

Each of the elementary, middle, and high school Regional and State Student Achievement Selection Committees will include at least five representatives meeting at least one of the following criteria:

1. Elementary
2. Middle/junior high
3. High school
4. School or central office administrators
5. Community members representing business/industry, labor, and civic organizations and/or charter schools
6. Higher education

All committees are to include equitable representation from all ethnic and racial groups.

Steps in the Regional and State selection process:

1. Each of the seven Regional Student Achievement Selection Committees selects one finalist in each of the three categories (elementary, middle/junior high, and high school), using the established criteria.
2. The three nominations from each Regional Student Achievement Selection Committee are forwarded by the regional coordinator to the State Student Achievement Selection Committee coordinator.
3. Regional candidates and their respective superintendents/CEO's are notified on a confidential basis a few days in advance of the public announcement. Finalists and their families are notified in time to arrange to stay in Baton Rouge for the interview and the completion of a selection process.
4. In Baton Rouge, the State Student Achievement Selection Committee reviews the students' portfolios and writing samples and then conducts interviews of the candidates.
5. The State Student Achievement Selection Committee names a student of the year for each category.

E. AWARDS:

All regional candidates, their parents, the Governor, the State Superintendent of Education, the State Board of Elementary and Secondary Education members, Legislative Educational Committee Members, and the news media are invited to attend the Students of the Year Awards Ceremony, which is held in Baton Rouge. At that time, awards are presented to the twenty-one (21) regional finalists and to the three (3) State Students of the Year.
