

Outstanding School Support Employees

AWARDS OVERVIEW

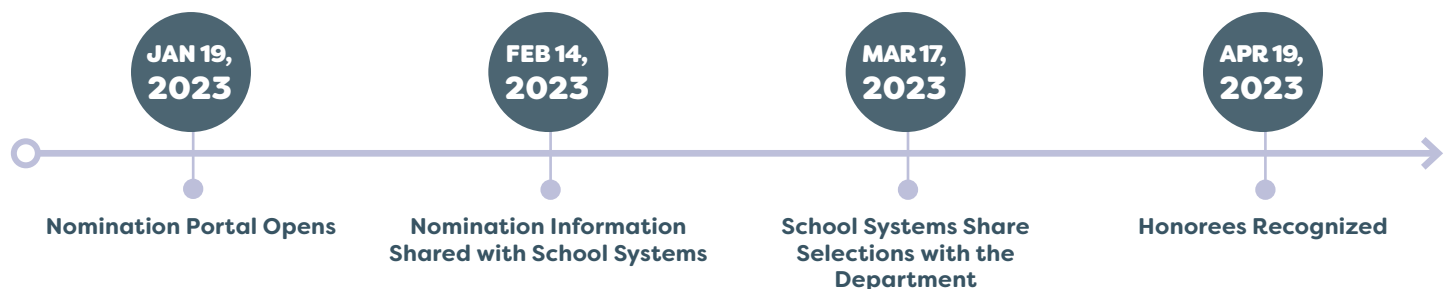

The Louisiana Department of Education recognizes that outstanding school support staff are critical to school success. Annually, the Department recognizes and celebrates some of the state's most exceptional school support staff through the Outstanding School Support Employee awards program. This program provides the opportunity to acknowledge those support employees who have rendered time and talents beyond the call of duty. These staff exemplify Louisiana's best in the education profession and play an integral role in school and student success.

The nominee must be an employee of a Louisiana public school system and serve as a teacher aide, paraprofessional, school bus driver, food service worker, clerical, custodial, or maintenance personnel, or any other employee who is not required to hold a teacher's certificate as a condition of employment. All school systems are encouraged to select up to three support staff, one per division (elementary, middle and high) as their local-level honorees and submit these candidates to the state process.
