We have provided an extensive series of resources and student exercises that we hope helps students develop and then make an effective presentation to their business mentor.

The table below provides grouping and sequencing recommendations for using these resources and student exercises.

All implementation notes are suggestions only and may be altered according to the needs of the students and teachers. Anticipated times are based only on the implementation notes provided and may vary.

<tbody>
<tr>
<td>05-02 Self-Assessment Presentation Guidelines</td>
<td>Provides guidelines for effectively communicating results from self-assessment.</td>
<td>Students will reflect and use form to outline their talking points for the presentation. Teacher should scaffold sections 1-4 to ensure adequate reflection and completion.</td>
<td>60 minutes (15 minutes per section)</td>
</tr>
</tbody>
</table>

*Teachers should create presentation expectations that focus on mentor engagement rather than length and format. 10-20 minutes is a recommended timeframe for the presentation. PLEASE DO NOT ALLOW students to read self-assessment to mentors. Presentations can include: a) prepared materials (students may speak from notes); and b) Q&A with the mentor*
