Imagine Learning’s pricing can be found following these notes regarding pricing and the technology requirements table (up-to-date system requirements can be found at support.imaginelearning.com).

Pricing Notes:

- If a purchasing district chooses to bundle Imagine Language & Literacy with any other Imagine Learning solution (Imagine Math, Imagine Math Facts, Imagine Español, Imagine Reading, or Galileo K–12 Assessment), they will receive a 20% discount off of the list price for those additional Imagine Learning solutions.
- All educators using the program(s) at the school or district have access to the digital activities and offline resources included with purchasing a license for students.
- District-specific pricing (considering large volume of licenses, customized professional development, etc.) can be offered and may provide additional discounts on a case-by-case basis.
- Current customers using Imagine Language & Literacy will receive the state contract pricing for all new purchases of licenses only.
