§307. Types of Licenses

A. A “type I license” is the type of license issued to an early learning center that is owned or operated by a church or religious organization that is qualified as a tax exempt organization under §501(c) of the Internal Revenue Code and that receives no state or federal funds directly or indirectly from any source.

A.1 - A.2. …

B. A “type II license” is the type of license issued to an early learning center that either receives no state or federal funds directly or indirectly from any source or whose only source of state or federal funds is from U.S. Department of Agriculture’s food and nutrition programs, hereinafter referred to in this bulletin as “federal food and nutrition programs.”

B.1. …

2. If an early learning center holding a type II license directly or indirectly receives any state or federal funds from any source, other than those received solely for food and nutrition programs, its license is immediately revoked.

C.1 - D. …

§315. Inspections

A. -- D. …

E. The department shall post results of inspections reports online.

A. Effective immediately, any early learning center possessing a class B license that receives no state or federal funds directly or indirectly from any source is deemed to be a type I center and its current license remains valid for the term stated on the face of the license. A new license shall be issued upon renewal of the existing license.

B. Effective immediately, any early learning center possessing a class A or class B license that either receives no state or federal funds directly or indirectly from any source or whose only source of state or federal funds is from federal food and nutrition programs is deemed a type II center and its current license remains valid for the term stated on the face of the license. A new license shall be issued upon renewal of the existing license.

C. Effective immediately, any early learning center possessing a class A or class B license that receives state or federal funds directly or indirectly from any source other than the federal food and nutrition programs is deemed a type III center and
its current license remains valid for the term stated on the face of the license. A new license shall be issued upon renewal of the existing license.

D. Nothing in this Section shall prevent an early learning center otherwise qualified for a type I license from voluntarily seeking a type II or type III license, or an early learning center otherwise qualified for a type II license from voluntarily seeking a type III license, provided that such center meets the standards set forth for such licenses.

§319. Waivers

A. - B. …

C. An application, and all supporting documentation for a waiver shall be submitted in writing to the Licensing Division using the request for waiver form.

D. …

§701. Initial Application Process

A. Forms. Applications for licensure of new early learning centers shall be submitted using the department’s online electronic system, made to the Licensing Division on forms furnished by the Licensing Division. See the Department of Education’s website for current forms and for directions as to how and where applications for licensure may be submitted.

B. - D.1.b. …

c. Once an application has been closed, an applicant still interested in obtaining a license must submit a new application and application fee electronically.

2. If the application is complete, the Licensing Division department will notify the applicant and will request the Office of State Fire Marshal, city fire (if applicable), Office of Public Health, and Office of Early Childhood academic approval section to make an inspection of the center, as per their standards. However, it is the applicant’s responsibility to obtain these inspections and approvals.

D.2.a. - D.2.b. …

c. Once an application has been closed, an applicant still interested in obtaining a license must submit a new application and application fee, electronically.

E. - E3. …

Initial Licensure. A license shall be issued on a completed initial application when the following items have been met and written verification has been received by the Licensing Division:

1. Office of State Fire Marshal approval;

2. Office of Public Health approval;

3. city fire approval, if applicable;

4. zoning approval/certificate of occupancy, if applicable;

5. Office of Early Childhood academic approval by the department, if type III center;

§705. Access

A.1. …

B. Department staff shall not view video recordings for annual inspections. Department staff shall be allowed to view video recordings as part of an investigation of a complaint or incident. In order to view a video recording for a complaint or incident, department staff shall provide in writing information about the complaint or incident, including the approximate date, time, location and description.

C. - D. …

§711. Renewal Applications

A. A license must be renewed by the last day of the month in which the current license expires.

B. An application for renewal of a license shall be submitted to the Licensing Division on a form furnished by the Licensing Division, using the department’s online electronic system.
C. Each center is solely responsible for timely completing the online license renewal application, obtaining the form to apply for renewal of a license and timely applying for renewal. Notice of time for renewal shall not be sent by the Licensing Division.

D. …

E. If a complete renewal application, including the total annual licensure fee and all required documentation, is not received by or postmarked by the last day of the month in which the license expires, the license expires and shall not be renewed.

F. …

§713. Renewal and Other Inspection Procedures

A. Annual licensing inspections by the department, and current approvals by the Office of Public Health, Office of State Fire Marshal, and city fire (if applicable), and academic approval by the department (if Type III center), Office of Early Childhood (if type III center) and the Licensing Division shall be required before the expiration of an existing license. However, if a center has documentation establishing that the center requested an inspection by the Office of Public Health or the Office of State Fire Marshal prior to the expiration of the existing license, these approvals may be submitted to the department within 30 calendar days of the date of the license renewal.

A.1. - B. …

C. The director/director designee/staff-in-charge shall have an opportunity to review inspection deficiencies (if any) in consultation with Licensing Division staff.

1. If the director/director designee/staff-in-charge is not present at the center or is unable or unwilling to review the inspection deficiencies, the Licensing Division staff shall review with any staff at the center.

C.2. - D.2.c. …

§901. Change in Location
