From Bylaws:

“The ECCE Advisory Council will receive quarterly reports from the LDE on the implementation and progress, activities, and status of the Early Childhood Care and Education Network, including the creation and implementation of an accountability system for early care and education programs and the transition of the Child Care and Development Block Grant and licensure to the Department of Education.”
Leading Up to 2015: Background, Vision, and Shared Challenges
Progress to Date

Louisiana’s fragmented early childhood system led to Act 3 (2012), which calls for a unified system to ensure all children enter kindergarten ready.

- **2012**: BESE approves multi-year plan for implementation
- **2013**: 13 Early Childhood Community Network Pilots launch
- **2014**: 16 more Community Network Pilots launch. Additional legislation is passed to unify licensing, enrollment, and funding
- **2015**: 33 more Community Network Pilots launch. Full implementation of Act 3 required by August
Early Childhood Community Networks
Key Activities in Quarter 1

Community Network Updates:
• All parishes are onboard:
  – Cohort 1 = 13 Networks (2013)
  – Cohort 2 = 16 Networks (2014)
  – Cohort 3 = 33 Networks (2015)

• Community Networks in Cohort 3 completed Orientation Sessions and established initial leadership structures

• Community Networks in Cohorts 1 and 2:
  – Completed more CLASS observations and second GOLD Checkpoint
  – Conducted coordinated enrollment and applied for PreK funding as a community

• Field Test
  – Continued CLASS observations with third party validation
  – Facilitated teacher satisfaction survey for ~700 teachers; Orleans facilitated family survey
Louisiana Early Childhood Care and Education Network (Bulletin 140)

- Initial conversations took place during roundtables
- ECCE AC endorsed with recommendations, approved by BESE in June 2015
- ULL selected as a third party contractor for CLASS observations

Lead Agencies

- Request for applications released in April 2015
- Lead Agency applications were reviewed and approved by BESE in June 2015

Continued Support for Teachers

- PD Framework reviewed by ECCE AC and BESE
- Child Care Resource & Referral, Mental Health Consultants and NSU Pathways contracts were extended through 2016
Child Care and Development Block Grant
Transition Activities for Quarter 1 and 2

Key Activities in Quarter 1:
• CCAP Provider Certification transitioned to the LDE on February 1, 2015
• Bulletin 139, *Louisiana Child Care Development Fund Programs*, was created to cover all functions related to Child Care Development Fund (except licensing)
• Schedule, training and communications for implementation of new Licensing Regulations (Bulletin 137) was announced

Key Activities in Quarter 2:
• Licensing Regulations trainings took place in late April
• Legislation related to child care licensing and regulations passed (HB 734)
• Louisiana Child Care Market Rate survey was completed

Transition of CCDF:
• **October**: Licensing transitioned
• **December**: New licensing regulations approved (Bulletin 137)
• **February**: Provider Certification transitioned and Quality Start transition approved
• **March**: Provider Certification regulations approved
• **May**: CCAP Eligibility, SRTC, and Pathways regulations proposed
• **July 1**: LDE became Lead Agency and is responsible for all of CCDF
Culmination of Quarter 2: July 1 Milestones

1. **New licensing regulations went into effect**
