

<b>LISTENING</b>	<b>How to Make Lemonade</b>	<b>GRADES: 6-12</b>
<b>TASK</b>	Follow Instructions	
<b>LISTEN</b>  	 <ol style="list-style-type: none"> <li>1. Squeeze lemon juice from fresh lemons into a glass with ice.</li> <li>2. Add sugar or simple syrup (sugar that has been dissolved in hot water).</li> <li>3. Stir and add water to taste.</li> <li>4. Add more sugar or lemon juice if needed.</li> </ol>	
<b>TEACH</b>  	<p>Read the text to the student without letting them see the text. You may read it to them more than once. Ask the student each of the questions that follow.</p> <p><b>Questions:</b></p> <p>What is simple syrup?</p> <p>In what step did you add the water?</p> <p>How much water should you add?</p> <p>What is the first step?</p> <p>What might happen if you add too much lemon juice and not enough sugar?</p> <p>What other drink could you make if you use a different fruit other than lemon?</p>	
<b>SPEAK</b>	Listen to a recording or to someone read you the text. Do not look at the text when you answer the questions. Try to answer as many as you can.	

	
<p><b>TRY IT IF YOU CAN</b></p> 	<ol style="list-style-type: none"> <li>1. Watch a short cooking video (2-3 minutes) and write down the steps.</li> <li>2. Watch a short video on how to do something you would like to learn and write down the steps.</li> <li>3. Write out the directions for other simple activities that people might do. Read them aloud to see if they make sense.</li> </ol>
