Dad walks into the kitchen from his vegetable garden and smells something cooking on the stove top, “carrots in this chicken soup would be very tasty”, so dad adds carrots to the chicken soup. A little while later Jamie passes by the stove and smells the soup cooking, “Oh no! he exclaims, mom forgot to add onions to the soup,” so Jamie adds onions to the chicken soup. Susan was reading a book in her room, but the smells coming from the kitchen distracted her and she went to see what mom was cooking, “this chicken soup needs pasta”, so Susan adds pasta to the chicken soup. Mom returns to the kitchen to check on the soup and she was surprised, everyone helped make the chicken soup more delicious.</p> <div>  <p>K-2_Dinner-Audio</p> </div>
