

WORKPLACE INTERNSHIPS PROFESSIONAL SCHOOL COUNSELOR RESPONSIBILITY CHECKLIST (RESOURCE 01-01)

Please select the correct course code for the type of internship each student will be participating in.

There are three types of internships:

- <u>CDF-Qualifying CTE Internships</u> internships in companies that operate in one of the industry sectors defined as "high-demand" by the Workforce Investment Council (WIC). See the table on the next page for the most current list of WIC-defined highdemand industry sectors;
- 2) <u>CTE Internships</u> internships in a workplace but *not* in a high-demand industry sector;
- <u>Non-CTE Internships</u> internships that do not take place in a workplace. This would include any school office or school store-based internship or an internship in a nonwork setting.

Activities like participation in a musical group or babysitting *do not* qualify as internships.

The table below provides the proper course code for each type of internship.

CDF-Qualifying Internships qualify for *both* the 6% MFP adder paid for all CTE courses *and* the 6% Career Development Fund (CDF) adder;

CTE Internships qualify *only* for the 6% MFP adder for all CTE courses; and

Non-CTE internships do not qualify for any MFP adder. Non-CTE Internships are not part of any Jump Start graduation pathway
