The dynamic 2021 Jump Start Super Summer Institute Catalogue provides a list of professional development and training opportunities available this summer. This list will be released in next week's newsletter. It is not comprehensive and will continue to be updated as additional training options are confirmed. Schools systems can submit training opportunities and/or training requests to jumpstart@la.gov for review.

The Super Summer Institute registration costs for the summer 2021 sessions are paid directly to the provider and not to LDOE. Carl Perkins and Career Development Funds are eligible funding sources for registration.

The Jump Start Super Summer Institute catalogue includes virtual, in-person, and hybrid training options for many IBCs on the State Focus list. The following IBCs are included:

- [Adobe Certified Associate](#)
