## App Development with Swift Certification Level 1

**Certifying Organization**
Certiport, a Pearson VUE Business

**Description of Credential**
*IBC#: 473*
Swift is a robust and intuitive programming language created by Apple that’s easy to learn, simple to use, and super powerful. Which makes it great for getting started with code. It’s also one of the fastest growing, most popular open-source programming languages used by professional developers. In fact, some of the world’s most popular apps are built in Swift.

## Certification Costs / Funding Sources

### Cost Details

**Voucher and Retake Voucher Policies**

- App Development with Swift vouchers expire in 60 days.

### Re-test / Refund Policies

- If a candidate does not achieve a passing score on any Autodesk Certified User exam the first time, the candidate must wait one day (24 hours) before retaking the exam.
- If a candidate does not achieve a passing score the second time, the candidate must wait five days (120 hours) before retaking the exam a third time.
- A five-day waiting period will be imposed for each subsequent exam retake.
- There is no annual limit on the number of attempts on the same exam.
- If a candidate achieves a passing score on an ACU exam, the candidate may take it again.
- This policy applies to both voucher-based and site-license-based Certiport Centers.
- All original vouchers must be used prior to their expiration dates, without exception.
- Retake vouchers must be used within 60 days of the initial failed exam. If a retake was purchased, the retake voucher is sent by email after a failed exam.
- Test results found to be in violation of this retake policy will result in the candidate not being awarded the attempted credential, regardless of score.
