

Funding Source	What is it?	How can the money be spent?	How and when will the funds be distributed?	Reporting Requirements
<p>MFP Career Development Funds (CDF)</p>	<p>6% of the MFP State and Local Base Cost Per Pupil (\$241) is provided for each qualifying student course enrollment in grades 9 through 12.</p> <p>CDF qualifying courses</p>	<ul style="list-style-type: none"> Teacher training or certification, including externship stipends Equipment and facilities aligned to pathways (includes the cost of student industry-based credentials as well as career awareness and career counseling software and services) Nepris licenses or other technology licenses / equipment necessary to implement CDF-qualifying courses Transportation to facilities where students will be taking a CTE course related to a statewide industry credential 	<ul style="list-style-type: none"> In July, school systems and schools will receive a portion of their CDF allocation based on the greater of: a) Their minimum \$25,000/\$10,000 CDF allocation; or b) 75% of their previous year's CDF allocation. The balance of CDF funds will be distributed in February/March based on actual student enrollments. Any overpayment of the CDF allocation will be reduced in the June MFP payment. Please email LDOEMFPHelpdesk@la.gov with any MFP questions. 	<ul style="list-style-type: none"> CDF Year-End Report due in August CDF Technical Review Response (in Aug/Sept, if there are questions from the LDOE)
<p>For complete information about Career Development Funds please see the updated version of Guidelines for Use of CDF Allocation</p>				
<p>MFP Career and Technical (CTE) Funding</p>	<p>Each secondary career and technical education course per student as reported by the school district or school through the October 1 CLASS data submission for both the fall and spring semesters are provided a weight of 6%.</p>	<ul style="list-style-type: none"> School systems or schools are required to expend the weighted student funds on personnel, professional services, instructional materials, equipment, and supplies for the unique courses that generate such funds. The MFP Team verifies that CTE funds are spent on CTE expenditures in the Weighted Student Funding Verification Process. 	<ul style="list-style-type: none"> The FY2021-22 state average per unit amount is \$159. The school system and school specific per unit amounts and allocations for FY2021-22 will be available in the MFP Library under the 2021-2022 MFP Budget Letter section (FY2021-2022 Weighted Student Funding Calculation). The CTE Allocation is included in the monthly MFP payment. Please email LDOEMFPHelpdesk@la.gov with any MFP questions. 	<ul style="list-style-type: none"> The CTE expenditures are reported in the Annual Financial Report under the following Key Punch Codes: 16820-17280, 30215-30595, and 33665-34075
<p>The MFP resolution, adopted by BESE, recognizes that the cost of providing materials and equipment, and teacher credentialing and training, for Career and Technical Education courses is above and beyond the cost of traditional academic education. Each secondary career and technical education course in which a student is scheduled, in both the fall and spring semesters, is provided a weight of 6%.</p> <p>Only Career and Technical Education courses which can be taken for a high school Carnegie unit will receive a CTE weight. The school year 2021-2022 courses that qualify for the CTE weighted MFP formula will be identified as such in the master course list posted on the department's website.</p>				

Funding Source	What is it?	How can the money be spent?	How and when will the funds be distributed?	Reporting Requirements
<p>MFP Supplemental Course Allocation (SCA)</p> <p>Also called: Course Choice</p>	<p>Supplemental Course Allocation provides funding for the cost of coursework provided by BESE approved Course Choice providers. Initial funding for FY2021-22 is \$59 per student based on the Feb 1 count of the previous academic year.</p>	<ul style="list-style-type: none"> • Cost of supplemental course tuitions provided by BESE approved course providers (www.lacourses.net) • Tuition for dual enrollment coursework at a public Louisiana college, university, or LCTCS campus • Courses that make students TOPS-eligible • Enhanced services for SWD • Remediation services to help struggling students graduate on time • Courses that enable students to graduate with a Jump Start Career Diploma 	<ul style="list-style-type: none"> • Must commit funds by January 15, 2022 (either enrollments or an email to sca@la.gov indicating plans for Spring enrollments). • SCA funds not spent or reserved for Spring enrollments by March 1 will be reallocated. • If you are unable to register for all Dual Enrollment Courses during the Fall semester please contact sca@la.gov. • SCA funds are included in the monthly MFP remittance. Please email LDOEMFPHelpdesk@la.gov with any MFP questions. 	<ul style="list-style-type: none"> • LEAs must use the LCTCS (Ellucian) system for LCTCS enrollments • LEAs can arrange for public university enrollments directly • LEAs register students directly with Course Choice providers • LEAs must use the Course Choice Reporting System enrollments
<p>Direct Student Services</p>	<p>State allocation of Federal funds</p>	<p>Louisiana’s ESSA (Every Student Succeeds Act) provides a Title I allotment to help students gain access to academic courses, credentials, and services not otherwise available. Our state plan distributes this set-aside to LEAs using the Title I formula, maintaining the total local Title I award but requiring funds to be spent on basic access for the most at-risk students.</p>	<p>LEAs will be able to obligate funds starting July 1. Prior to then, LEAs will submit their plan and budget in Super App.</p>	<p>LEAs will be monitored to ensure they are utilizing the funds as described in Super App.</p>
<p>Carl D. Perkins Funding</p>	<p>Federal grant</p>	<p>Perkins Funding is a long-standing source of CTE funds with substantial administrative requirements. Contact jumpstart@la.gov for assistance.</p>
