

NCCER HVAC COMBINED

March 8, 2019

Certifying Organization	National Center for Construction Education and Research (NCCER) http://www.nccer.org/					
Description of Credentials	NCCER credentials provide students with immediate credibility among hiring executives in construction, manufacturing, maritime and all related industry sectors, giving certified students an advantage in attaining entry-level employment.					
	Helper	N/A				
	Level 1 IBC#: 032	Certification in NCCER HVAC Level 1 demonstrates that the student has basic HVAC skills including basic electricity, introduction to heating and cooling, air distribution systems, soldering and brazing, and more. Certification also requires mastery of basic quantitative and safety skills.				
	Level 2 IBC#: 206	Certification in NCCER HVAC Level 2 demonstrates the student has advanced HVAC skills including alternating current, heat pumps, sheet metal duct systems, air quality equipment and more. Certification also requires mastery of basic quantitative and safety skills.				
	Level 3 IBC#: 207	Certification in NCCER HVAC Level 3 demonstrates the student has advanced HVAC skills including troubleshooting cooling, heat pumps, gas heating, oil heating, and accessories. Level 3 also includes commercial hydronic systems, customer relations, and more. Certification also requires mastery of basic quantitative and safety skills.				
	Level 4 IBC#: 208	Certification in NCCER HVAC Level 4 demonstrates the student has advanced HVAC skills including water treatment, building management systems, system air balancing, commercial and industrial refrigeration systems, and more. Certification also requires mastery of basic quantitative and safety skills.				
Part of which Graduation Pathways ¹	<u>Statewide:</u> HVAC Tech <u>Integrated:</u> Agriculture Tech, Manufacturing, Construction Crafts and Logistics					
Associated with Which Careers?	5 Star: HVAC Mechanics and Installers, Cost Estimators, First Line Supervisors of Mechanics, Installers, and Repairers, HVAC Sales Representatives, Supervisors of Construction and Extraction Workers 4 Star: Maintenance and repair Workers, Sales Engineers, Sheet Metal Workers					
Entry-Level Annual Salaries	\$20,040 - \$41,600					
Industry-Based Certification Requirements: Students						
Standard / Curriculum	NCCER Core is a prerequisite for completion of all NCCER credentials (and all Helper pathways). Classes may be taught concurrently, but Level 1 or above credentials cannot be attained until NCCER Core has been successfully completed. NCCER HVAC Curriculum Following completion of Level 1, higher levels may be attempted in sequential order.					
Testing Methodology	Paper?	Yes	Online?	Yes	Performance Exams / Tests?	Yes
Re-Testing (if available)	Re-Testing Procedures	Students may retest after 48 hours. During the 48 hour span, students may not be exposed to the assessments or any questions.			Max Attempts	No maximum number of attempts
Testing Details (including any age requirements / accommodations)	NCCER does not have any age restrictions for their credentials. NCCER assessments must be supervised by a certified NCCER Craft Instructor or Proctor at a certified NCCER Training Facility. Before any assessment is given to the student, instructor must have an NCCER Registration and Release Form on file for the student with parent/guardian signature. Students must pass written exam with a score of 70% or better. Performance verifications are pass/fail and must be signed off by the certified Craft Instructor. Testing accommodations, specifically tests read aloud, are only available for designated students. NCCER has given permission for school personnel to administer the assessment in a one-on-one setting provided the NCCER Craft Instructor ensures test security and documentation of IEP is kept on file.					

Industry-Based Certification Requirements: Teachers

Bulletin 746, Chapter 5: All Louisiana teachers providing instruction in a course that leads to an IBC must hold the certification that they're teaching students to attain.

Instructor Certification Requirements (by certifying agency)	Instructor must be a certified NCCER HVAC Craft Instructor with current certification at the level he / she is teaching. The state must have a Form 702A and documentation of skill on file at LDOE for instructors to certify students in NCCER HVAC. To maintain NCCER Instructor certification, instructor must have Registration of Training Modules approved by NCCER before ICTP expiration (certification will be extended 3 years from completion date on Registration of Training Modules).				
Proctoring / Test Security (if any)	Only Master Trainers and NCCER Certified Instructors will have access to the tests. Tests will be administered by the instructor or Curriculum (ICTP) Proctor.				
Certification Tracking					
Credentialing Documentation	All scored module tests (both written and performance) will be kept in a secure physical or electronic location for at least three years. Results are submitted through the NCCER Registry . Students, upon completion of all NCCER HVAC modules, will receive a certificate and/or NCCER Card (this card is provided one time upon completion of first NCCER certification). Sample NCCER Credential Sample NCCER Wallet Card				
Certification Tracking System	Online Tracking System?	Yes	Details	N/A	
Other Details	Expiration Timeframe?	NCCER HVAC Certifications do not expire.			
Certification Costs / Funding Sources					
Cost Details	There is a one-time \$50 site application fee paid at initial site accreditation. No other certification costs are required by NCCER. It is the responsibility of certifying agency (school/district) to provide access to consumables and machinery needed to certify students. NCCER HVAC Trainee Guides : Level 1: \$67; Level 2-4: \$97 each				
Re-test / Refund Policies	There are no costs associated with paper test or retest. There is a minimal fee for online assessments.				
Funding Sources ²	CDF?	Yes	Perkins?	Yes	Alternative Source (other than General Funds)
