ACT Academy

ACT Academy has the largest repository of all digital, open education resources available spanning grades Kindergarten through Grade 12 with ACT Academy. It is available for all schools, teachers and parents at no charge. The flexible nature of ACT Academy allows students (and parents) the ability to go online for self-directed and personalized learning or teachers may use ACT Academy as an online learning management system to create digital classrooms and access the best-in-class digital curricula. Teachers can create classes on their own or use interfaces that connect to systems like Google Classroom, and then begin taking advantage of ready to use videos, lessons, games and activities from NASA, GeoGebra, Sci-show, Khan Academy and others. To enroll students in the program, go to <https://academy.act.org>.
