LOUISIANA'S BIRTH TO 16 EDUCATION SYSTEM

LOUISIANA'S 2025 VISION

In order for students to enter each level of Louisiana's education system with the knowledge and skills to be successful, our state must raise the bar for what it means for schools to be rated an "A". By 2025, schools will earn an "A" when:

 <p>Student Proficiency</p> <p>Students demonstrate mastery of nationally-competitive, grade level content. (Grades 3-12)</p>	 <p>Graduation Rate</p> <p>Students graduate within four years at a rate of 90% or higher.</p>	 <p>Pursuit of College & Career</p> <p>Every graduate has the funding needed to continue their education at the next level.</p>
