## 2019 TEACHER LEADER SUMMIT

The [2019 Teacher Leader Summit](#) will take place June 26-28 at the Morial Convention Center in New Orleans, and will bring together 6,000 educators and content experts who will share their knowledge and learn new skills in order to ensure meaningful growth for every student, every day in 2019-2020.

The Teacher Leader Summit is an annual celebration of Louisiana's educators. This year's event will equip educators in every level of the system with tools and training that provide all students the opportunity to:

- build knowledge of the world;
- read meaningful texts;
- express ideas through writing and speaking;
- solve complex math problems; and
- attend a school that treats them with dignity and respect.

The [session list](#) for the Summit is now available for review. This Friday, May 3 at 4:00 p.m., the 2019 Teacher Leader Summit App will be available for download. All registered attendees will receive a notification from Sched, the app provider, Friday afternoon once the app is live with instructions for downloading the app, or you can search for it in app store under "2019 Teacher Leader Summit."

This year, registered participants will be able to build their schedule and reserve seats for all sessions in advance of the event. **Seating in each session is available on a first come, first served basis. Registrants are strongly encouraged to reserve a seat in the sessions of their choice in the Summit App, or the desktop version of Sched, as soon as possible.** Participants will be required to print their schedule from the app and present it to room attendants to gain entrance into sessions.

A variety of sessions will be offered each day, for all types of educators, therefore participants should plan to attend all three days. [Ed Talks](#) are also back this year offering participants with thought-provoking sessions led by some of the leading voices in education, on how schools and school systems can ensure meaningful growth for every child, every day.
