New: Award Notification and Registration of Newly Awarded Scholarship Students

The Department intends to send award notification emails to families the week of April 27th. At that time, the Scholarship team will also notify schools when it is acceptable to begin contacting families of awarded students. Families of new awardees will receive a hard copy letter in the coming weeks at the mailing address provided on the application.

Due to school closures, families receiving a new Scholarship award for the 2020-21 school year may accept award placements via phone or email with the school’s registration contact. The school’s registration contact or designee will then send the family a completed receipt of enrollment confirmation. Parents must confirm intent to enroll by May 15th; otherwise, the Scholarship award will be lost. Parents do not need to sign forms or provide eligibility documents until the stay-at-home order is lifted. Future guidance will be provided by the Department when these action items are required.

If you have any questions, please reach out to studentscholarships@la.gov.
Reminder: Louisiana Scholarship Program Accountability Update

Student achievement on LEAP 2025 assessments is used to determine the status of a school's continued participation in the Louisiana Scholarship Program and the school's ability to enroll new students each year. Louisiana schools will not administer the spring LEAP 2025 assessment in the 2019-2020 school year due to the outbreak of COVID-19.

Given this unprecedented situation, the Department is enacting alternate accountability standards for Louisiana Scholarship Program schools for the 2019-20 school year that will impact a school's ability to accept transfer students in 2020-2021 and participate in the lottery for the 2021-2022 school year. To view how this alternate framework will impact your school and its ability to accept new students moving forward, please review [this document](#). A summary of accountability data from 2018 and 2019 can be found [here](#).

Reminder: Assessment Development Educator Review Committees, Summer 2020

The Department is now recruiting for Item Content and Bias Review committees. Committee members will review items developed for future field testing. All LEAP 2025 Social Studies, LEAP 2025 ELA, and LEAP Connect Item Content and Bias Review committees will convene virtually in June and July. Access the [Assessment Development Educator Review Committees document](#) in the [Assessment Guidance Library](#) for updated information and for links to complete interest surveys. Participants are eligible to receive a daily stipend.

Please contact [michelle.mcadams@la.gov](mailto:michelle.mcadams@la.gov) with questions.

Reminder: Transfer Window Closed

Due to testing and the upcoming lottery for Scholarship students, the transfer window for Scholarship students wishing to transfer for the remainder of the year is closed at this time. Transfers submitted will not be approved unless due to extenuating circumstances.

Families that wish to transfer their Scholarship award from one school to another due to extenuating circumstances for the remainder of the school year must complete a transfer form. The school leader or Scholarship contact of the student's new school must sign off on the transfer and submit to [studentscholarships@la.gov](mailto:studentscholarships@la.gov) for approval.

Completion of the transfer form is not a guarantee that a transfer will be granted, and schools can not exceed their student enrollment caps. Families should not buy uniforms or other supplies until the Department has approved the transfer.

The transfer window to transfer awards for the 2020 school year will open in the summer.

Please email [studentscholarships@la.gov](mailto:studentscholarships@la.gov) with any questions.

Reminder: For School and District Testing Coordinators

Update: Waivers for Testing

- To date, the only students who have a waiver from the assessment graduation requirements are graduating seniors who were enrolled at the time of school closing and were in the February 1 enrollment report.
- The current waiver does not apply to students who were not enrolled in school or students who are not yet eligible to graduate.
- In May, the Department will request a change in policy to waive the assessment requirement for a high school assessment-eligible course earned in 2019-2020 for students who would have been initial testers in spring 2020. Students who failed a subject test in a prior administration will not be eligible for the waiver of the assessment requirement.

ACT

- **Update**
  - ACT announced new flexibilities for summer testing and new test-at-home options that will become available in the fall and winter. Information about at-home testing with remote proctoring will be shared as it becomes available.
- **ACT National Test Date**
  - Although students are only able to register for June 13 and July 18 for national test administrations in summer, testing sites can request a one-week delay in administration (June 20 and July 25)
- **ACT State Administration**
  - June 2 standard paper
  - June 2-4 online
  - June 2-8 accommodated window
  - October 6 and October 20 paper-based administration only for students who were juniors in 2019-2020 and were unable to test

Update Cohort Graduation Data Certification

- Pending the duration of the stay-at-home order, the opening of cohort graduation data certification is scheduled to open on May 6 and will remain open until June 5. Accountability contacts will be notified prior to the official opening date.

New: 2020 U.S. Presidential Scholars Program Semifinalists Announced

The U.S. Department of Education (ED) recently announced the 2020 U.S. Presidential Scholars Program Semifinalists. Nine students, from both public and nonpublic schools, from Louisiana are among them. They represent the following schools:

- Episcopal School of Acadiana
- Destrehan High School
- Baton Rouge Magnet High School
- Jesuit High School
- Ruston High School
- Baton Rouge Magnet High School
- Captain Shreve High School
- Baton Rouge Magnet High School

The achievements of these outstanding students deserve acknowledgment. ED and the Department encourage school systems to assist with providing further honors, media coverage, and contacts for the semifinalists. Recognition of these students will bring wider awareness and understanding of the U.S. Presidential Scholars Program to a greater number of the Nation’s citizens, encourage countless others like them to challenge themselves and achieve, highlight the education success stories, and most importantly, emphasize the country’s most precious resource-its talented young people.

Visit the ED’s website for the complete list of semifinalists. The 2020 U.S Presidential Scholars will be announced in May. To learn more about the U.S. Presidential Scholars Program and its history, visit ED’s U.S. Presidential Scholars Program page.

**Reminder: Guidance on ESF-17 Cyber Management During COVID-19**

As individuals continue the transition to online Zoom meetings, the State's ESF-17 team strongly recommends everyone to take the following steps to ensure Zoom meetings are properly secured:

- Require passwords for all Zoom meetings.
- Never post Zoom links over public platforms/social media.
- Set screen sharing to "Host Only."
- Update all Zoom applications.
  - (iOS/MacOS/Windows10)
- Use the "Waiting Room" for Zoom meetings open to public participation.
  - A virtual staging area that stops your guests from joining until you're ready for them.
  - Meeting hosts can customize Waiting Room settings for additional control and personalization.

Victims of a teleconference hijacking or “Zoombombing,” are strongly encouraged to report the event to the State's Cyber Crimes Unit (CCU) at Louisiana State Police Fusion Center by phone at 800-434-8007 or via email at lafusion.center@la.gov as soon as possible.
