Please share with IDEA directors, federal program directors and business managers.

High Cost Services (HCS) Round 1 allocations are now visible in eGMS. School systems with an approved application can now create a budget by creating an amendment in the HCS Round 1 application in eGMS. School systems must create this amendment to include all students for whom an allocation was received. Budget amendments will be reviewed for eligibility and allowability as they are submitted.

Please note that MFP/state funds included in this allocation will expire and will no longer be available as of June 30. Additionally, all claims are due and must be submitted in eGMS by July 15.

Please contact ldoe.grantshelpdesk@la.gov with questions.

Reminder: In PER, on the first tab (labeled Expenditure Obligation Summary), please check Final Expenditure checkbox at the bottom when final. Check that. Otherwise the PER will not be reported as final and will have to be corrected and resubmitted.

Maintenance of Effort (MOE) Fiscal Requirements

Please share with business managers and finance Officials.

Meeting yearly Maintenance of Effort (MOE) requirements is part of the business process to confirm compliance and determine eligibility of federal grant funds for ESSA and IDEA grants. The USDOE requires an annual review that determines if each LEA: 1) has not decreased spending of general fund dollars, and 2) is budgeting expenditures to meet the MOE standards. There are three MOE measurements submitted in the eGMS system:

- 2021 IDEA MOE Confirmation (Compliance) deadline for submission is **June 1, 2022**.
- 2023 ESSA MOE Verification deadline for submission is **July 15, 2022**.
- 2023 IDEA MOE Verification (Eligibility) deadline for submission is **July 15, 2022**.

COVID Relief Funds and MOE

Although school systems have received relief funds as a result of COVID-19, these funds do not affect the Maintenance of Effort requirements at the LEA level. LEAs are required to continue spending at levels to continue to meet all MOE requirements in accordance with previous federal regulations. Federal requirements have changed at the state level only.

MOE Resources

The [MOE Quick Reference Guide](#) is available to assist with those new to the MOE submission process. A [Local Only Funds Calculator](#) is available to assist in completing the Local Only Funds section of the IDEA MOEs.

For questions regarding the MOE review process, contact nakia.jason@la.gov. For technical inquiries or support, contact jason.berard@la.gov.
