# CHARTER SCHOOLS

May 19, 2021

Dear Colleagues,

Earlier this week I surprised faculty, staff and students at Phillis Wheatley Community School in New Orleans with a new statewide award. [Louisiana Models of Excellence](#) honors schools that serve as a state model in meeting one of our [Believe to Achieve](#) priorities. We recognized Phillis Wheatley Community School due to their efforts to provide the highest quality teaching and learning environment. The school's multiple levels of literacy support have led to student gains. We have a literacy crisis on our hands in Louisiana, and it takes bold actions like we're seeing at Phillis Wheatley Community School to flip the trajectory for our children and our state.

We created Louisiana Models of Excellence to celebrate Louisiana schools, share stories of success, provide models for others to see and create high-impact partnerships across school systems. Through this initiative, we have an avenue to recognize the exceptional work of our educators and connect them with teachers and leaders across the state looking for solutions to similar challenges.

Dr. Cade Brumley  
State Superintendent of Education

## **Nutrition Support**

### **P-EBT Local Level Funding for Schools Grant**

Pandemic Electronic Benefit Transfer (P-EBT) administrative funds are available to all National School Lunch (NSLP) and School Breakfast (SBP) program operators responsible for activities related to FY 2021 State Pandemic Electronic Benefit Transfer (P-EBT). Eligible activities include those that occurred between October 2020 and September 2021, in conjunction with P-EBT benefits issued for school year 2020-2021 and summer 2021. Districts that operated the NSLP Seamless Summer Option (SSO) or the Summer Food Service Program (SFSP) in place of traditional school meals programs, due to COVID-19 waivers, may also be eligible. To receive funding, schools must submit the P-EBT Administrative Costs online application, located on the LDOE Child Nutrition Program [website](#), to the Division of Nutrition Support. Additional information, as well as grant application instructions, can be accessed in memo [SFS-21-x166](#).

## School System Financial Services

### **Maintenance of Effort (MOE) Fiscal Requirements**

**Please share with business managers and financial officials.**

Meeting yearly Maintenance of Effort (MOE) requirements are part of the business process to confirm compliance and determine eligibility of federal grant funds for ESSA and IDEA grants. The US Department of Education (ED) requires an annual review that determines if each LEA: 1) has not decreased spending of general fund dollars, and 2) is budgeting expenditures to meet the MOE standards.

#### **Now Available:**

1. 2022 ESSA MOE Verification – Deadline for submission is June 30, 2021.
2. 2022 IDEA MOE Verification (Eligibility Review) – Deadline for submission is June 30, 2021.

#### **Previously Available:**

3. 2020 IDEA MOE Confirmation (Compliance review) – Deadline for submission **was** May 14, 2021.

#### **Helpful documents for completing MOE requirements:**

- The [MOE Quick Reference Guide](#) is available to assist with submitting all three MOE applications.
- Description of [Allowable Exceptions](#) to IDEA MOE
- Calculator - [Local Only Revenue Spreadsheet](#)

Please contact [nakia.jason@la.gov](mailto:nakia.jason@la.gov) with questions regarding the MOE review process. For technical inquiries or support, please contact [jason.berard@la.gov](mailto:jason.berard@la.gov).

### **Proposed Fiscal Year 2021-2022 MFP**

**Please share with business managers and financial officials.**

The BESE adopted MFP resolution and formula were submitted to the Legislature on May 13. The proposed MFP documents for FY 2021-2022 are available in the [Department's Minimum Foundation Program Library](#).

## Teaching and Learning

### **Pandemic EBT Program Communications Toolkit/Data Submission**

A communications toolkit is now available to help systems and schools keep families informed about the newest round of Pandemic EBT (P-EBT) benefits. The LDOE created sample messaging that can be tailored to the specific needs of individual systems and schools. This includes sample letters to families, text alerts, and social media posts. The Louisiana Department of Children and Family Services (DCFS) has also developed an [FAQ](#) and [communications resources](#) that will be updated as new information becomes available. DCFS also created [resources aimed at answering questions school system employees may have about the program and student eligibility](#). This page will be continuously updated.

### Background Information

DCFS, in collaboration with LDOE, has received approval to operate the P-EBT program in response to COVID-19 related school closures. P-EBT provides food support to help families with children who are learning in a hybrid or virtual mode and receive free and reduced-price school meals or attend a CEP school.. To carry out this program, DCFS and the Office of Technology Services (OTS) will be working with school system data managers who must submit the necessary information to qualify both public and private students for the P-EBT benefit. Additional details regarding data sharing agreements, the submission process, deadlines, etc. were provided on the May Data Managers Monthly Webinar and May System Leaders Webinar.

### P-EBT Data Submission Deadline Extended:

DCFS has extended the data submission deadline for P-EBT from May 21 to **May 28** for all school systems.

### What's different for this P-EBT?

- P-EBT this year will use direct certification. With direct certification, there is no application process and it does not require any action by the family. DCFS will use the student data provided by the school districts to issue P-EBT benefits.
- Students will receive their P-EBT benefits on a new P-EBT card. A separate P-EBT card will be issued for each eligible student in the household. This means each eligible student in the household will receive a card in the student's name. Previously, one card was issued in the Parent/Guardian's name for all eligible students.
- Benefits are being issued retroactively in installments back to August 2020.

Please contact [carol.mosley@la.gov](mailto:carol.mosley@la.gov) with questions.
