Teacher Leader Lagniappe Podcast: Episode 19 Released

Please share with all educators, including: school system leaders, school leaders, and teacher leaders.

[Teacher Leader Lagniappe](#) offers a little something extra for Louisiana educators. As educators, we are leaders - leaders of our families, classrooms, schools, teams, and systems. Host Em Cooper shares inspiring stories from leaders in Louisiana and across the country. You'll hear from innovators, change agents, and experts that will empower you to grow in your profession. Educators can subscribe to the podcast and listen to the latest episode.

Episode 19 Summary: Annelise Cassar Tedesco, Louisiana's 2022 State Teacher of the Year, talks about the Performing Arts Academy she co-founded, the Arts Strong series she created, and the innovative work she is implementing with her arts classes.

The Livingston Parish Virtual-Hybrid Program is featured during the What's Making Me Smile segment for their hands-on, engaging experiences for students on campus.

Educators can subscribe to the [podcast](#) and listen to the latest episode.

Share Your Stories: Educators can submit [pictures](#) of the great things happening in your school and system for our What's Making Me Smile segment.

Please contact em.cooper@la.gov with questions.

School Improvement Best Practices

Please share with school and district leadership teams

The [School Improvement Best Practices](#) strategy is designed to support schools in adopting the essential components that drive professional and student growth and will continue during the 2022-2023 school year. LDOE has partnered with the National Institute for Excellence in Teaching (NIET) to develop, implement, and support five [School Improvement Best Practices](#). The five best practices are:

- instructional leadership team support,
- teacher collaboration support,
- teaching standards support,
- principal standards support, and
- career pipeline support.

Educators may use this [link](#) to learn more about the [School Improvement Best Practices](#) strategy training sessions, what's new for Summer 2022, and the requirements for CIR and UIR-A schools. School systems may apply for funds through their Achieve! application or use other funding sources for schools without an intervention label.

School systems should complete this [form](#) to indicate the training they anticipate their schools will participate in. Upon receipt of the form, NIET will connect with the school system contact to begin planning. Completing the form does not commit you to selecting these trainings, but it helps to inform the planning with NIET.

Please contact Markecia.Barthelemy@la.gov with questions.

Teacher Leader Summit

Please share with all educators, including: school system leaders, school leaders, principals, school counselors, teacher leaders, and data coordinators.

Save the date: Teacher Leader Summit will take place from **May 31 - June 2, 2022** at the New Orleans Ernest N. Morial Convention Center.

Please contact LDOEvents@la.gov with questions.

Acceleration Professional Development

Please share with school and district leadership teams

The month's [Louisiana Acceleration Series](#) session is Planning for Accelerated Learning Options and Individualized Learning. During this session, participants will examine models for grouping students and plan for the incorporation of accelerated learning in core instruction, small group, and individual instruction. The target audience for this session is school and district leadership teams.

The next session in the [Louisiana Acceleration Series](#) is Strengthening Content-Specific Strategies for Learning Recovery in Math. During this session, participants will identify skills critical to student mastery of math standards and will deconstruct those in order to scaffold and segment accelerated learning. Participants will develop thinking strategies that support student mastery of critical skills and define ways to incorporate techniques for increasing student engagement and student ownership of learning. The target audience for this session is math teachers and school and district leadership teams.

For a complete list of training dates and locations and to register, visit NIET.org. Educators can receive a certificate upon completion of each training.

Summer Learning Programs

Please share with school and district leadership teams

Summer learning programs require year-round planning. During the months of November through December, school systems can utilize the checklist located in the [Summer Learning Program Guidance](#) to continue planning for their 2022 program. Some of the checklist items include:

- Release SLP dates to educators and families,
- Outreach for preliminary community support,
- Develop and distribute an interest survey for students,
- Develop a distribute an interest survey for staff, and
- Develop a needs assessment with stakeholder input. .

In Super App, school systems must provide a summer learning program that includes tutoring for all students at CIR and UIR-A schools next summer.

Questions can be emailed to Markecia.Barthelemy@la.gov.

Test Security for LEAP 2025 LEAP Fall High School

- Test security is extremely important to assure valid and reliable measures of student performance. District test coordinators are responsible for providing training for STCs, who in turn must train all school staff participating in test administration.
- The department provides resources for test security at this link: <https://www.louisianabelieves.com/resources/library/assessment>.
- All test security policy is in Bulletin 118, and it is reinforced in test coordinator and test administrator manuals.

ACT 688 Survey

- All school systems are mandated by statute to report the number of students referred for gifted screening based on their performance of the literacy screener, with the literacy screener being at least one indicator used in consideration for gifted screening.
- The department will collect this information using the [Act 688 Survey](#). DTCs and Special Education Coordinators should work together to submit one form per school system.
- The deadline for completion of the survey is Friday, December 3. These data will be reported to BESE.
