# CHARTER SCHOOLS

**Feb 8, 2023**

Dear Colleagues,

Around 1,300 educators, experts, and industry professionals will gather in Baton Rouge today to advance career and technical education as well as student attendance. Our annual Jump Start Convention and Child Welfare and Attendance Summit is February 8.

It is a fitting time for the event, as it falls during Career and Technical Education Month and National School Counseling Week. Both bring awareness to critical priorities for our educators and our state. If a student graduates on May 15, they must be ready for May 16 - whether that is a career, college, or service. To get there, we must rethink the high school experience, and we must make sure children at all levels are in class and ready to learn. It is also important for leaders to improve systems for attendance.

I hope to see you at our event today. If you are planning to attend, download a [schedule](#) or [event preparation tips](#) on our website. I look forward to welcoming you during our general session, joining some of our workshops, and catching up with many of you throughout the day.

Dr. Cade Brumley
