School Improvement Best Practices

Please share with system leaders.

The 2022 Louisiana Best Practices [registration](#) for all general [training dates](#) is now available. LDOE has partnered with the National Institute for Excellence in Teaching (NIET) to develop, implement, and support five [School Improvement Best Practices](#). Most Best Practices [trainings](#) are two days, which must be taken consecutively, and the Teaching and Learning Standards training is four days in length. Each school can send up to five participants. Sessions will be capped for capacity to allow for facilitators to better engage with individual educators.

All CIR and UIR-A schools will be required to participate in the Instructional Leadership Team (ILT) Support and Teacher Collaboration Support training sessions, as well as the accompanying online portal and two days of on-site and/or virtual coaching as follow-up support to the training.

- If a CIR or UIR-A school participated in ILT support or Teacher Collaboration support trainings in Summer 2021, then it is required that they complete the “next level” training in that area in Summer 2022.
- If a CIR or UIR-A school did not participate in ILT support and Teacher Collaboration support trainings in Summer 2021, then it is required that they complete the “foundational” training in those areas in Summer 2022.

While all CIR and UIR-A schools are required to participate in the Instructional Leadership Team Support and Teacher Collaboration Support training sessions, all schools in Louisiana can participate in this opportunity to support implementation of these essential practices this summer.

As an additional resource, school systems may utilize [Maximizing the Impact of Best Practices Trainings Guidelines for Successful Participation](#) for next steps and key actions.

Please refer to your statement of work with NIET for the specific trainings your schools will attend in 2022. All trainings are delivered virtually unless otherwise noted by your school system.

Please contact keisha.thomas2@la.gov with questions.
