### Instructions:

All sections of the Nonpublic School Approval Questionnaire are required for non-accredited schools seeking approval for the first time.

You may answer each question by:

- A) Providing a text response;
- B) Uploading a document; or
- C) Both providing a text response and uploading a document.

If you have any questions regarding completing this survey, please email [nonpublicschools@la.gov](mailto:nonpublicschools@la.gov).

### Table of Contents:

This Nonpublic School Eligibility Confirmation Questionnaire focuses on 4 key areas:

- 1) Purpose and Direction –Pg. 2
- 2) Leadership –Pg. 2
- 3) Instructional Practices and Technology –Pg. 3
- 4) Academic Standards –Pg. 4

In addition, at the end of this questionnaire you will find an overview of all potential document uploads.

## Section 1: Purpose and Direction

### 1.1) Please provide a description of the school's academic mission and purpose.

This text can be the same description: a) provided to students in a student handbook; or b) provided to parents considering sending their children to the school; or c) posted on the school's website.

## Section 2: Leadership

### 2.1) Please describe the system the school uses to give performance feedback to its principal.

The principal feedback system can be school-developed or a publicly available system (such as the *Compass* evaluation system or the *Vanderbilt Assessment of Leadership in Education*). Schools may upload the performance feedback system description provided to the principal.

### Section 3: Instructional Practices and Technology

**3.1) Please describe the system the school uses to give performance feedback to teachers.**

The teacher feedback system can be a school-developed system or a publicly available system (such as *Compass*, the *Learning Walk Method* from School Leadership Center, or *Danielson's Framework for Teaching*). Schools may also upload the performance system description provided to teachers.

**3.2) Does your school have high-speed internet access (not dial-up, not ISDN)?**

Please type either "Yes" or "No"

**3.3) How many Internet-accessible computers dedicated to student use does the school have?**

This can include any computer that the school uses for educating students, including laptops, desktops, or tablets. Computers *not* to be included in this count: office computers, non-operational computers, and computers "on order."

## Section 4: Academic Standards

### 4.1) What standards for student learning did the school use to design its curriculum?

You can simply cite the source (such as the [Louisiana Student Standards](#) or *International Baccalaureate*) or describe your school-designed standards. If your school uses self-designed standards, then please upload the math and English standards for at least one grade.

### 4.2) What assessments does the school use to summarize student learning?

You can simply indicate the assessment you use (such as LEAP 360 or the Iowa Test of Basic Skills).

If your school uses self-designed assessments, then please upload the math and English assessments for only one grade.

**4.3) How does the school leader track student academic progress?**

You can simply upload a redacted spreadsheet or screen shot of the system your school leader uses to compile and track student academic progress.

**4.4) Assessment and Accountability Information**

Please supply the information requested below.

If our school becomes BESE approved, our school will participate in state testing for the upcoming school year.
