# Purpose

Beginning this winter, the Talent Office will conduct quarterly webinars with HR personnel. These webinars will cover educator workforce updates including:

- policy updates,
- updates relative to the development of Mentor and Content Leader cadres, and
- certification updates

The background of the slide is a watercolor-style illustration. It features soft, blended washes of light blue and white, creating a textured, painterly effect. The colors are more saturated in some areas and lighter in others, giving it a sense of depth and movement. The overall aesthetic is clean and professional, suitable for a corporate or educational presentation.

# Certification Policy Updates

# Local Evaluations for District-based Leaders

In October 2018, BESE approved policies that allow for the use of local evaluations to advance or renew **Educational Leadership** certificates.

- Educational leaders serving in roles at the **school level** must be evaluated via **Compass leader evaluations** or approved alternative rubrics to renew/advance certification
- Educational leaders serving in roles at the **school system level** must use **local evaluations** to renew/advance certification
  - School system level leaders must complete the local evaluation attestation form to use local evaluations
  - Local evaluations from prior years **may be used**

# Policy Shift: Mentoring Requirements for Alternate Certification Candidates

Based on research demonstrating that high-quality mentoring can reduce or eliminate the “first-year teacher effect,” and on mentoring pilot programs, BESE approved regulatory shifts in October to strengthen mentoring during the alternate candidate’s residency year.

- **Remove** 80-hour pre-residency practice requirement
- **Replace** the pre-residency practice requirement with an assurance from the employing school systems that new teachers have co-taught, been observed, or planned collaboratively for at least 5 hours per week in their first year of teaching
  - School systems will verify mentoring through an attestation form that is part of a candidate’s application for a Level 1 certificate or renewal of a Practitioner License.

This change removes outdated requirements, follows researched best practices, and allows school systems flexibility.

These new mentoring requirements will go into effect beginning in the 2020-2021 academic year. The Department will launch supports to school systems at the February collaborations and at LSASPA.

# Policy Shift: Mentoring Requirements for Alternate Certification Candidates

## Supports

- The Department is considering releasing a data package that would include the number of teachers hired on a PL for the first time, at the school-level, to inform planning efforts.
  - Do you think this will be helpful? Is there any other data that would be helpful to provide as you are planning to include mentoring for alternate certification candidates for the next academic year?

## Questions

- Do you have any initial questions regarding this policy shift that would be helpful to discuss at LSASPA?

# Policy Shift: Louisiana Leadership Assessment Series

In December 2019, **BESE approved the Louisiana Leadership Assessment Series (LLAS)** as an alternative assessment for those seeking the **Educational Leadership Certificate (EDL1)**.

Educators wishing earn their EDL1 will be able to **choose between** the Praxis and the LLAS performance-based assessment series. The assessments are **portfolio-based** and aligned to the competencies the Department has identified as being essential to the role of an administrator and the National Educational Leadership Preparation (NELP) standards.

These assessments, along with further information, will be available in early Spring 2020.

# Certification Processing Updates

# New Certification Forms

In an effort to better serve educators of Louisiana, certification application forms are being reviewed and revised. This process could take several months to complete.

**Please download the most recent application forms from the certification portal each time before submitting an application.**

Application forms that will be reviewed/revised first include:

- Ancillary application
- Appeals application
- Certification update application
- Out-of-State (OS) experience verification
- Practitioner (PL) application(s)
- Teaching Authorizations (TA) application

# New Payment Center

The Department is changing payment processing vendors. This includes the payment center for the teacher certification portal.

The expected transition will occur by the **end of January**. The link from the online certification portal to the payment processing center will be updated. However, links in applications will be updated as the applications are updated as a whole.

**Please only use the link from the certification portal to access the payment portal.**

# Discussion

- Are there any additional questions regarding certification updates?
- Do you have other ideas regarding how we can better assist you and your educators?

The background of the slide is a watercolor-style illustration. It features a central white area that tapers towards the top and bottom, creating a sense of depth. This white area is surrounded by various shades of blue, from light sky blue to deep, dark teal. The colors are blended together with soft, irregular edges, giving it a painterly, artistic feel. The overall composition is balanced and clean.

# Compass Updates

# Updating 2012-2018 Evaluation Uploads for the Compass Information System (CIS)

**Timeline:** Submissions Accepted January 6-31, 2020

**Rationale:** Due to prior evaluation scores that have not been reported or recorded in the Compass Information System (CIS), there are some teachers and leaders unable to maintain their certification status. The LDOE will offer a **one-time** opportunity in response to feedback from school system leaders to submit backlogged evaluation scores via a password protected spreadsheet from 2012-2018 to the Compass team.

**Objective:** Complete the upload of all backlogged and available evaluation scores from 2012-2018 in the Compass Information System (CIS).

# Key Points

1. This is a **one-time only upload window**. All submitted scores must be received via password protecting the [2012-2018 Evaluation Score Report Spreadsheet](#) available under training materials in the [Compass Library](#) at [compass@la.gov](mailto:compass@la.gov) no later than Friday, **January 31, 2020**.
2. CIS can only accept scores from the years **2012-2018**.
3. Updating scores for prior years in CIS requires CIS to shut down the current 2019-2020 school year. **The 2019-2020 CIS system will be shut down for the month of February to allow our team to upload the submitted scores.**
4. For the upload to work, all certified personnel need to be at the site for the year you are reporting. If they are not listed, please add them to the spreadsheet and notate they should be added.

# Identifying Unreported Scores

The screenshot shows the Compass Information System interface. At the top, there is a header with the Compass logo and the text "COMPASS INFORMATION SYSTEM". A "View Only" checkbox is checked and circled in red. Below the header, there are navigation tabs: "Proc Per", "Employee", "VAM", "PGP", "SLT", "Obsv", "Eval", "Report", "To Do List", and "Links". Under the "Employee" tab, there are sub-tabs: "View List", "View", and "View Grievance". The "View" sub-tab is selected. Below the sub-tabs, there are search filters: "School Session:" with a dropdown menu set to "2018-2019", "LEA:" with an empty text box, "School:" with an empty text box, and a checkbox labeled "Show only assigned employees". There is also a "Last Name Filter:" with an empty text box and a "Go" button. Below the filters, there is a table with the following columns: "Employee Name", "Job Title", "Eval. Type", "Evaluator", "PGP", "Obs.", "SLT", "VAM", "Eval Submitted", "Final Eval", and "Inc. Eval.". The table contains several rows of data, with one row circled in red, indicating an unreported score.

Employee Name	Job Title	Eval. Type	Evaluator	PGP	Obs.	SLT	VAM	Eval Submitted	Final Eval	Inc. Eval.
Teacher	T	T		Does not Exist	3.40	3.50		Y	3.45	
Teacher	T	T		Does not Exist	3.40	3.00		Y	3.00	
Teacher	T	T		Does not Exist	2.80	3.50		Y	3.15	
Teacher	T	T		Does not Exist	2.80	3.50		Y	3.15	
Teacher	T	T		Does not Exist	2.80	4.00	4.00			
Teacher	T	T		Does not Exist	2	2	2.00			
Teacher	T	T		Does not Exist	2.80	2.00		Y	2.00	
Teacher	T	T		Does not Exist	2	2	3.00			
Teacher	T	T		Does not Exist	2.80	1.00	4.00	Y	2.05	

To check historical CIS data:

1. Check the **View Only** box at the top
2. Change the **School Session** drop down to correct date
3. Select the **School**
4. Ensure that all certified personnel is at the site for this year. If they are not, please add them to the list to be added.
5. Check the **Eval Submitted** and **Final Evaluation** column. If they are blank, then a final evaluation was not submitted correctly for this person.
