**CONSENT ORDER**

This matter was set for hearing July 23, 2012 on the State's request for a preliminary injunction to halt the operation of an unlicensed child day care facility. Prior to hearing, the parties reached an agreement and enter into this Consent Order on the following terms:

1. Defendant, **ALETHA HAYNES** consent to the issuance of a preliminary injunction prohibiting her from operating a child day care facility without a license;
2. In recognition of **ALETHA HAYNES** cooperation, the State waives its request for statutory fines and penalties so long as **ALETHA HAYNES** complies with this order;
3. **ALETHA HAYNES** does agree to allow the Louisiana Department of Children and Family Services access to the facility as necessary to conduct site visits in compliance with state and federal guidelines.

The Court being satisfied that the Consent Order is reasonable under the circumstances, considering the verified petition and supporting affidavits, and is in accordance with law and evidence in this case, therefore

IT IS ORDERED that a preliminary injunction issue, directed to defendant **ALETHA HAYNES**, and enjoining, restraining and prohibiting her, her officers, directors, agents, employees, representatives, and all others acting on her behalf, from operating a child day care facility without a license; this preliminary injunction to be effective during the pendency of these proceedings;

IT IS FURTHER ORDERED that the State hereby waives the statutory fines and penalties sought in its petition, contingent upon Defendant's compliance

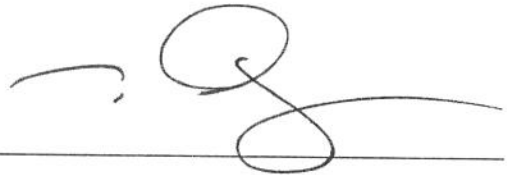

REC'D C.P.  
JUL 24 2012

with this Order;

IT IS FURTHER ORDERED that **ALETHA HAYNES** do consistent with this Order, allowing the Louisiana Department of Children and Family Services access to the facility as necessary to conduct site visits in compliance with state and federal guidelines.

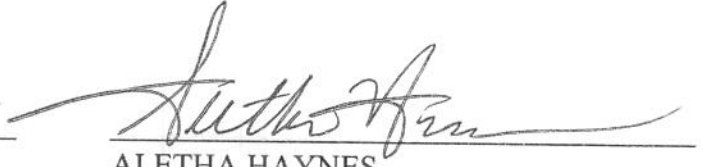

So ordered at Baton Rouge, Louisiana, this 26 day of July, 2012.

**PETITION FOR INJUNCTIVE RELIEF**

NOW INTO COURT, through undersigned Counsel, comes the State of Louisiana, through the Department of Children and Family Services ("the Department"), who files this Petition for preliminary and permanent injunctive relief under the Child Care Facilities and Child-Placing Agencies Licensing Act.

1.

Defendant, **ALETHA HAYNES**, is an adult resident of this Parish.

2.

Defendant, **ALETHA HAYNES** does not possess a license from the State of Louisiana to operate a daycare center as defined by Louisiana Statute.

3.

Defendant is operating a child day care facility at 4669 Southpark Drive, Baton Rouge, Louisiana, 70816 without a valid child day care license and has done so continuously since at least February 14, 2012.

4.

Defendant is providing care and supervision on a regular basis to seven or more children whose parents do not remain on the premises and who are not related to the caregiver, and operate their facility on a regular basis in excess of twelve and one-half hours per week.

5.

Because defendant does not have a license to operate lawfully and have continued to operate in violation of law despite actual knowledge that a license was required prior to beginning operation the Department asks that a preliminary injunction issue as provided under

6.

After trial on the merits the Department asks that the preliminary injunction be made permanent.

7.

In addition, the Department seeks the statutory fines provided under La. R.S. 46:1421 of not less than seventy-five dollars (\$75.00) per day, nor more than two hundred fifty dollars (\$250.00) per day, for each day defendants have operated a child day care facility without a valid license.

WHEREFORE the Department respectfully requests:

1. That defendant, **ALETHA HAYNES**, be ordered to appear and show cause, on a date and time to be set by this Court, why a preliminary injunction should not issue, without bond, and enjoining, restraining and prohibiting them, their officers, agents, employees, representatives, and all others acting at their direction or on their behalf, from operating a child day care facility without a license during the pendency of these proceedings;
2. That after trial on the merits there be judgment in favor of the Department, and against Defendants, assessing Defendants the mandatory fines of not less than seventy-five dollars per day nor more than two-hundred fifty dollars per day, for each day they have operated a child day care facility without a license;
3. That after trial on the merits a permanent injunction issue, in form and substance like the preliminary injunction requested above; and
4. That all costs of these proceedings be taxed to Defendants.
