STATE OF LOUISIANA

ORDER

This matter came on for hearing the twenty-sixth day of October on the Department of Children and Family Services' (Department) request for a preliminary injunction to block the operation of an unlicensed child day care facility. Considering the law and the evidence, including the verified petition and the affidavits submitted, the Court is of the opinion that a *prima facie* case has been made out that the Department is entitled to the relief sought.

Therefore,

IT IS ORDERED that a preliminary injunction issue as requested, without bond, directed to defendant TONJA DEMERY, and enjoining defendant, together with her officers, agents, employees, representatives, and all others acting at her direction or on her behalf, from operating a child day care facility without first having obtained a valid license, this Order to be effective while these proceedings are pending.

New Orleans, Louisiana this 26th day of October, 2010.
