Sessions

Participants will have the opportunity to choose **three** sessions that fit their needs and interests. Attendees from each LEA should coordinate with one another to ensure they get all the necessary information. All sessions are filled on a first come, first served basis.

Session Topics	Session Title	Session Description	Room
ROTATION 1			
Academic Content Assessment	LEAP 360: Assessment Inventory	LEAP 360 supports districts and schools in the effort to significantly reduce time on assessments. This session will provide assessment inventory resources to help districts evaluate the amount and quality of district and school assessments in order to reduce testing time.	Room 222
Accountability	Policy Updates for 2018-2019 and School Report Card Preview and Planning	This session will review what's new in school and school system accountability for the 2018-2019 school year, and will provide a preview of school report card changes coming this fall.	Trinity Center
Academic Content Social Studies	Social Studies Companion Documents	This session will provide an overview of the Social Studies Companion Documents, as well as guidance on how educators should use these documents to increase the effectiveness of Social Studies instruction. The Social Studies Companion Documents prioritize the content to be taught for each standard and are aligned with the LEAP 2025 assessment. This session is geared for those who supervise Social Studies in 3rd-8th grades and US History.	Gym
Academic Content SPED	Students with Significant Disabilities: Eligibility and Instructional Supports	Participants will learn about proper eligibility of students taking the alternative assessment. This session will provide clarity on state guidelines, the required documentation in SER, and the instructional supports provided to ensure high quality instruction for these students. (NOTE: This session repeats at Rotation 2.)	Room 210
Assessment ELL	English Language Proficiency Screener: Overview of New Screening Instrument	Participants will be informed of new screening instrument for English Learners and learn about the administration protocol.	Room 206

Note: All of the session information in this table is subject to change.

Session Topics	Session Title	Session Description	Room
Rotation 1 cont'd			
Early Childhood	Early Childhood Policy Updates for 2018-2019 and Performance Profile Preview and Planning	Early Childhood accountability and eligibility policy updates for 2018-2019 will be reviewed for lead agencies and plans for the release of 2017-2018 Performance Profiles will be discussed.	Room 232
Student Opportunities	Increasing Student Access to Financial Aid Planning	The session will review the financial aid policy, along with discussing strategies school systems/schools can use to accomplish their goals. (NOTE: This session repeats at Rotation 2.)	Room 209
Student Opportunities	The Intersection of Quality IGPs and The New Career Readiness Course	This session will focus on the new innovative, competency-based career development course that will expose all Louisiana students to career opportunities through inquiry and authentic work experiences, and inspire them to lay the foundation for their career and life success in high school. The LDOE plans to pilot the course in schools in the 2018-19 school year, with full state-wide adoption slated for the 2020-21 school year as the State phases out its existing course, Journey to Careers, which is an option to meet the credit requirement for the State's Career Diploma.	Choir Room
Student Opportunities	STEM Diploma Pathways	This session will provide an overview of two new diploma pathways available to high school students—Environmental Protection and Sustainability; and LSU Digital Design and Emergent Media—that incorporate the STEM disciplines. The LSU Digital Design and Emergent Media pathway seeks to address the constantly transforming field of digital media, while the Environmental Protection and Sustainability pathway will address the rapid erosion of the coastline and its threat to major LA industries such as oil and gas, and fishing. Both of these rigorous pathways provide Louisiana students with the knowledge and skills to compete for high demand jobs that support the future of the Louisiana economy. (NOTE: This session repeats at Rotation 3.)	Room 208
Analytics	eScholar Data Submissions	Participants will review Uniq-ID and DirectMatch data system changes implemented for the 2018-19 school year and data submission requirements. (NOTE: This session overlaps from 9:10 – 10:40 and repeats at 10:40 – 12:00.)	Room 221
