

### 2017-2018 TAP FIELD TRIP OPPORTUNITIES

As a part of ongoing efforts to support principals in their work to improve teaching and learning, the Department will be offering opportunities to see firsthand the powerful principles of the TAP System. Whether currently implementing the key elements of TAP or considering how they can further support your efforts, district leaders and school teams are invited to observe TAP in a school setting – to learn by seeing it in action!

District	School Name & Address	Field Trip Date	Time	Practice to Observe
