Welcome Screen

The screenshot shows the Compass Information System (CIS) welcome screen. The header includes the Louisiana Department of Education logo, the word "Compass" in red, and "COMPASS INFORMATION SYSTEM" in white. On the right, there are links for "View Only", "Close", and "Restart". The main content area is light green and contains the following text:

Welcome to the Compass Information System (CIS).

If this is your first visit here you will be required to register on the next page. If you have already registered, please continue to the next page and log in.

If you are not authorized by the state of Louisiana Department of Education to use this website, please exit the site now.

Please visit <http://www.louisianabelieves.com/docs/teaching/cis> for help-related resources, contact information, and updates regarding CIS.

At the bottom, there is a button labeled "Continue to Registration / Login Page".

Key messages about Compass Information System (such as expected downtime) will be posted here.

Login and Registration Page

The screenshot shows the COMPASS INFORMATION SYSTEM interface. At the top left is the 'Compass' logo with a sun icon. The title 'COMPASS INFORMATION SYSTEM' is centered at the top, with 'View Only' and 'Close | Restart' links on the right. Below the header, a message states 'This web site requires you to log in.' There are two main sections: a login section on the left and a registration section on the right. The login section includes fields for 'Personal Login Code' and 'Password', each with a 'I forgot my Code' and 'I forgot my Password' link respectively. A 'Submit' button is below the password field. At the bottom of the login section are two checkboxes: 'Change Password' and 'Change Email Address'. The registration section contains a single 'Register' button.

To register for the first time,
click "Register"

Once registered, enter your

Viewing data from previous years

1 Use View Only check-box to access data that is not editable

2 Next, toggle to the previous year on the employee screen

3 On all subsequent tabs, toggle to the year for which you would like to view data. This year will be used to display data for all subsequent screens. You will not be able to make any edits.

Note: Employees may now view their own data by selecting view-only checkbox and toggling to previous years on subsequent tabs.
